

Contractor work category descriptions

Please select your work categories by ticking the box to the right of the category you wish to apply for. You must send us two references for each work category you choose.

These references should cover work carried out in the last three years. You can find descriptions to all our work categories on our website www.constructionline.co.uk, in the 'Work Categories' section found in the Supplier zone.

Important note:

Electrical installations and communication installations

For certain work categories evidence of competence is required. We have placed a number in the 'Extra requirements' column to help you.

Key:

- A1 You must be a member of ECA, NAPIT, SELECT, or are registered with NICEIC or BRE, to choose one of these categories.
- A2 You must be a member of ECA, NAPIT, SELECT, National Security Inspectorate (NSI NACOSS Gold and NSI Systems Silver) or SSAIB to choose one of these categories
- A3 You must be a member of ECA, NAPIT, SELECT, National Security Inspectorate (NSI Fire Gold or NSI Fire Silver), Warrington Fire or SSAIB, or are registered with BRE to choose one of these categories.
- A4 You must be a member of ECA, NAPIT, SELECT or similar to choose one of these categories
- A5 You must be a member of ECA, NAPIT, SELECT or similar to choose one of these categories
- A6 You must be a member of ECA, NAPIT, SELECT or similar to choose one of these categories

Please enclose a copy of your valid certificate as proof.

Part P electrical work (England and Wales)

Scottish approved supplier Certification of Construction (Electrical Installations to BS 7671) (Scotland)

Gas and boiler installation or maintenance

If you choose work categories relating to gas and boiler installation or maintenance, you will have to be Gas Safe registered and should include a copy of your certificate.

Security Work

Certain categories require SIA / ACS (Security Industry Authority / Approved Contractor Scheme) membership and confirmation is required.

Asbestos

Contractor work category descriptions

There are three licences issued by the HSE relating to asbestos:

Full licence – Required when working with asbestos insulation, asbestos coating or asbestos insulating boards (includes removal of).

Supervisory licence – Required when supervising and controlling other licence holders who do the work and laboratories that deal with asbestos.

Ancillary licence – Required for work associated with the main work of asbestos repair, removal or disturbance in which it is foreseeable that asbestos may be disturbed.

When applying for any of the asbestos or scaffolding related work categories, please enclose a copy of your valid HSE licence.

Sector	Category	Description	CPV
Building Finishes - Conservation			
	Cleaning (Stone)	Services to clean stone surfaces to return to original condition. Building-cleaning services. Stonework.	90911200-8 45262510-9
	Glazing (Stained & Leaded Glass)	Cutting and fitting stained and leaded glass. Glazing work.	45441000-0
	Internal Finishes	Carrying out general work on internal finishes, floors, ceilings and walls for restoration of historic/listed buildings. Buildings of particular historical or architectural interest.	45212350-4
	Joinery (Listed Buildings & Restoration)	Specialist joinery work to be used in Historic and listed buildings. Buildings of particular historical or architectural interest. Restoration work.	45454100-5
	Monuments, Statues And Architectural Features - Cleaning & Restoration	cleaning and restoration work to statues and monuments and architectural features in bronze and stone	45212314-0
	Plasterwork & Mouldings (Conservation/Restoration)	Producing and fitting mouldings and carrying out plasterwork on historic/listed buildings. Buildings of particular historical or architectural interest.	45454100-5
	Restoration And Renovation Of Historic Monuments (Partnering)	Carrying out restoration and renovation work under partnering arrangements or framework contracts. Firms must have experience of partnering/frameworks. Buildings of particular historical or architectural interest.	45454100-5
	Restoration Of Wood	Wood restoration including French Polishing.	45454100-5

Contractor work category descriptions

		Restoration work.	
	Stonework & Restoration	Stonemasonry, including cutting, sawing, carving and placing stone for construction work and restoration. Stonework. Restoration work.	45454100-5 45262510-9
	Tiling (Conservation/Restoration)	The preservation/renewal of tiles. Buildings of particular historical or architectural interest.	45454100-5
Building Finishes - Doors			
	Door And Window Canopies, Awnings And Shading	Design, Manufacture, Supply and Installation of Brise Soleil and Louvre fixed awnings, architectural profiling for the control of light, heat and glare.	45443000-4 44115900-8
	Door Hardware (Security)	Supply, installation and maintenance of hardware for doors including locks, secure hinge systems and anti jemmy devices. Door locks. Locksmith services.	98395000-8
	Door Safety	Supply and installation of finger protection, guard, shield door safety devices. Installation of doors and windows and related components	45421100-5
	Doors	Supply and fitting doors not covered by more specific doors categories including PVCU, timber, steel.	45421131-1
	Doors (Aluminium)	Supply and installation of aluminium doors Installation of doors	45421131-1
	Doors (Aluminium Clad)	Supply and installation of aluminium clad timber doors. Installation of doors.	45421131-1
	Doors (Auto Opening & Closing)	Supply and fit automated doors, either used by remote control or sensor.	45421131-1
	Doors (Fire Proof)	Supply and fit doors that can resist fire and comply with current safety standards.	45421131-1
	Doors (Garage)	Supply and fit doors designed for use on a garage.	45421131-1
	Doors (Hydraulic)	Supply and fit doors operated by hydraulic pressure.	45421131-1
	Doors (Roller & Folding Shutter)	Supply and fit roller doors roll around a horizontal axle. Folding shutter doors are vertical doors that open by folding the leaves of the door in concertina fashion.	45421142-1
	Doors (Security)	Supply and fit doors that offer enhanced resistance to entry, including entry systems with	45421131-1

Contractor work category descriptions

		intercoms	
	Doors (Steel Framed Doorsets)	Installation of steel framed doorsets for various applications including hospitals, schools, offices etc. Installation of doors.	45421131-1
	Doors (Store/Outhouse)	Store, outhouse doors including GRP, UPVC, wood, metal etc. Installation of doors and windows and related components	45421131-1
	Doors (Uvpc)	Installation of UVPC doors and composite door systems	45421131-1
	Doors And Window (Auto Opening & Closing)	Automated doors, either used by remote control or sensor. Installation of doors and windows and related components. Automatic Window Control Installations	45421131-1
	Doors Hanger (Auto Opening & Closing)	Supply and fit automated hanger doors, either used by remote control or sensor.	45421131-1
	Enamelling (Refurbishment Sprayed)	Spray enamelling in the use of bath and work top re-surfacing. Restoration work.	45442000-7
	High performance external doors	Supply and fit high performance doors. A Green Deal category	44221200-7
	Window And Doors Service And Repair	Repair and Service of windows and doors. Installation of doors and windows and related components.	45421100-5
Building Finishes - External Walls			
	Cladding	Installation of non-load bearing covering to the exterior of a building, including rainscreen systems with integral drainage and ventilation. The cladding of a building can include a roof. Cladding works.	45262650-2
	Cladding Guttering And Rainwater Goods (Upvc)	Installing guttering, downpipes and other drainage features to clad buildings.	45261320-3
	Curtain Walling	Installation of curtain walling units on structural frame to provide outer skin.	45262650-2
	Curtain Walling (Steel)	Installation of steel curtain walling systems to provide outer skin on structural frame	44212381-3
	Damp Proofing (Including Chemical Injection)	Injecting damp proof courses (dpcs) for resisting rising damp, including Mastic Asphalt.	45262520-2
	Insulation (Overcladding)	All methods of insulation the exterior of a building which range from composite linings	45320000-6

Contractor work category descriptions

		between batons to insulating layers which are then rendered. Insulation work.	
	Plant Room Louvres	Installation of louvered systems for ventilation, shading and security	45262600-7
	Rendering	Application of concrete based screed to vertical walls (does not include plaster). Concrete-coating work.	45262370-5
	Roofline Systems	Installation of roofline systems including fascias, bargeboards, soffits, ventilation and trims	45443000-4
	Stone Facing (Buildings)	Stone facing to commercial, industrial and residential buildings applied in random walling coursed walling, stone applied or ashlar walling, using natural stone such as limestone, sandstone or slate. Stonework.	45262510-9
	Solar Shading	Supply and fit solar blinds, awnings and shadings. A Green Deal category.	45212190-4
	Wall Coatings	Application of specialist protective exterior wall coating systems for various wall types, brick, stone, masonry, tyrolean etc. Application work of protective coatings.	45442000-7
	Wall Tie Replacement	Installing metal wall ties to strengthen and support brickwork. Bricklaying work.	45262520-2
Building Finishes - Flooring			
	Concrete Flooring	Construction of in-situ concrete floors including pre cast components with hand finished, power floated or polished surfaces. Also including installation of under floor heating, hygienic surfacing and flooring repairs. Concrete work.	45262300-4
	Entrance Matting	Supply and fit of various matting types for entrances, reception areas, public areas etc. Laying work of flexible floor coverings.	45432111-5
	Flooring (Cement Screeds)	Application of cement, grano screeds to floors, including self levelling systems. Floor-screed works.	45262321-7
	Flooring (Decking)	Installing steel sheet decking on which concrete is poured. Floor laying and covering work.	45432100-5

Contractor work category descriptions

	Flooring (Epoxy Screeds & Coatings)	Application of epoxy and resin screed floors, mastic asphalt, and self-levelling screeds. Floor-screed works.	45262321-7
	Flooring (Floating)	Supply and installation of floating floors, for use in reducing noise and vibration. Floor-laying work.	45432110-8
	Flooring (General)	Laying of timber and concrete floors, not floor coverings. Floor laying and covering work.	45432110-8
	Flooring (Granite, Slate ,Marble)	Installation of granite, slate or marble flooring or granite, slate or marble tiles Solid flooring	44112210-3
	Flooring (Platform / Raised Access)	Raised access floors, the shallow type are baton supported, the deep type are supported on jacks. False floor installation work.	45432120-1
	Flooring (Rubber, Plastic, Cork, Lino And Carpet)	Supply and fit of flooring, including rubber, plastic, cork lino and carpet. Laying work of flexible floor coverings.	45432111-5
	Flooring (Sanding & Sealing)	Sanding and sealing of timber floors. Floor-laying work.	45432110-8
	Flooring (Tiles)	Laying of tiled floors. Floor-tiling work.	45431100-8
	Flooring (Timber, Hardwood & Specialist Floors)	Supply, installation and maintenance of timber, hardwood and specialist floors). Floor-laying work.	45432110-8
	Matwells	Formation, maintenance and repair of matwells. Floor-laying work.	45432110-8
	Mezzanine Floors (Design & Install)	Design, fabrication and installation of mezzanine floors and accessories. Solid flooring.	44112210-3
Building Finishes - General			
	Anti-Slip Panels	Supply and installation of anti-slip panels to provide a safe slip resistant surface for walkways, ramps, stairs, bridges, decking, piers etc.. Miscellaneous special-trade construction work.	45262600-7
	Anti-Vandal Treatments (Fly & Graffiti)	The application of anti-vandal coating to prevent, fly posting and graffiti. Application work of protective coatings.	45442120-4
	Bar Fit Out	Supply and installation of bars and associated	45212400-0

Contractor work category descriptions

		fittings, for pubs, hotels, clubs, etc.	
	Building External & Internal Finishes (Partnering)	Carrying out internal and external finishes work under partnering arrangements. Firms must be able to demonstrate experience of partnering.	45210000-2
	Biomass room heaters	Supply and install biomass room heaters including radiators. A Green Deal category	39715200-9
	Car Park Marking & Signage	Supply, installation and maintenance of car park marking and directional signage. Car-park building.	45213312-3
	Car Park Waterproofing	Applying car park waterproofing treatments, specialist protective and anti-skid surfaces.	45213312-3
	Casings	Supply and installation of radiator guards, pipe boxing, perimeter boxing, including decorative columns.	45262600-7
	Cast Stone	Supply and installation of cast stone. Stonework.	45262510-9
	Cylinder thermostats	Supply and installation of cylinder thermostat to control water temperature. A Green Deal category	42943210-3
	Concrete (Diamond Drilling And Sawing)	Non-percussive drilling and sawing of concrete and masonry by diamond impregnated drill bits and saw blades.	45262330-3
	Concrete (Drilling & Chasing)	Drilling and chasing concrete, masonry and brickwork by rotary percussion and abrasive discs. Concrete repair work. Concrete work.	45262330-3
	Concrete (Scoring And Grooving)	Preparing a concrete surface by percussive or non-percussive grooving or scabbling to allow resurfacing or repair. Concrete work. Concrete repair work.	45262330-3
	Countertop Resurfacing	Repair, restoration, refinishing of kitchen worktops and bathroom unit surfaces of various types including porcelain, ceramic, laminate, cultured marble, etc. using specialist coatings. Resurfacing works.	39141200-4
	Fabric Structures Maintenance	Maintenance, safety inspections and cleaning of fabric structures, including canopies. Canopies.	44115710-9
	Fan-assisted storage heaters	Supply and install fan-assisted storage heaters A Green Deal category	39715200-9

Contractor work category descriptions

	Fire Protection (Passive)	Supply and installation of fire stopping, firelinings, barriers and pipe seals etc. Fire-prevention installation works.	45343000-3
	Fireplaces	Fireplaces - supply and installation. Installation of built-in furniture.	45262600-7
	Flood Protection Installation	Installation of UPVC panels to doors, windows and vents for flood protection. Flood prevention works.	45246400-7
	Flue gas heat recovery devices	Supply and install flue heat recovery systems, recycling latent heat gases. A Green Deal category	45321000-3
	Furniture (Airports and Other Transport Terminals)	Manufacture, supply and installation of specialised furniture for airport and other transport terminals. Installation of built-in furniture.	45421153-1
	Furniture (Education)	The supply and installation of specialised education sector furniture. Installation of built-in furniture.	45421153-1
	Furniture (Laboratory)	The supply and installation of specialised laboratory furniture. Installation of built-in furniture.	39180000-7 45421153-1
	Furniture (Library)	The supply and installation of specialised library furniture. Installation of built-in furniture	45421153-1
	Furniture (Medical)	The supply and installation of specialised medical furniture for hospitals, surgeries and health centres, including HTM (NHS Health Technical Memorandum) compliant ranges. Installation of built-in furniture.	45421153-1
	Furniture (Office)	Construct, supply and install furniture for offices and other commercial situations. Installation of built in furniture.	45421153-1
	Furniture (Sports & Leisure)	The supply and installation of specialised furniture for sports and leisure centres including changing room lockers and cubicles and seating. Installation of built-in furniture.	45421153-1
	Furniture (Supply & Fit Kitchen, Bathroom, Bedroom Etc)	Supply & fit of bathroom, kitchen & bedroom units. Installation of fitted kitchens. Installation of built-in furniture.	39140000-5 45421153-1
	Furniture, Fixture & Fittings For The Disabled	Supply and installation of items and	45421153-1

Contractor work category descriptions

		adaptations specially designed to aid the disabled including bathroom, kitchen units, rise and fall units, ramps, access showers etc. Installation of built-in furniture.	
	Gas Protection Systems	Supply and installation of subfloor systems including gas resistant membranes, gas venting systems to protect against hazardous ground gases such as carbon dioxide, methane, radon. Environmental protection services	45333100-1
	Gates	Gates including GRP, UPVC, wood, metal etc. Installation of gates	45421148-3
	GRG Installation	Design and installation of glass reinforced gypsum products, for column casings, ceiling, walls, cladding and partition features and mouldings, imitation stone and rock features, icons, badges and other architectural features	45262650-2
	Guttering And Rainwater Goods (Metal And Fibre)	Supply, installation & repair of metal and fibre guttering products.	45261320-3
	Hand Rails & Staircases	Installation of hand rails and staircases	45421000-4
	Heating (Solar)	Supply of solar panel heating systems. Solar panels.	09331000-8
	Impact Protection	Supply and fit door and wall guards including bumpers, rub rails, fenders, hand rails, combi rails, kick plates, edge, corner, frame, surface protection. Also padded safety protection on pillars and posts.	45262600-7
	Induction Loops	Installation and maintenance of assistive listening systems for the hard of hearing. Devices for the disabled	33196200-2
	Installation (Sound)	Installation of sound proofing and acoustic barriers. Sound insulation work.	45323000-7
	Joinery	The assembly/manufacture of quality wooden products such as cupboards, stairs etc. and including display booths and exhibition units. Joinery and carpentry installation work. Joinery work.	45421000-4
	Joinery (First Fix)	Installation of 1st fix woodwork on such as windows, floor joists in new building or extensions. Joinery and carpentry installation work. Joinery work.	45421000-4
	Joinery (General Up To £2000)	Carry out general and small installation works	45421000-4

Contractor work category descriptions

		up to £2000 such as removal of damaged doors and window frames. Joinery and carpentry installation work. Joinery work.	
	Joinery (Second Fix)	Installation of 2nd fix woodwork on such as skirting, doors etc in new and extension work. Joinery and carpentry installation work. Joinery work.	45421000-4
	Joint Sealing (Building)	Applying mastic and other sealants for expansion joints, windows, doors and sealing of other structural elements. Concrete work.	45262600-7
	Laboratory Fume Cupboards	Supply installation and maintenance of laboratory fume cupboards. Laboratory building.	45214610-9
	Locksmiths	The installation and maintenance of all types of locks and security fittings Ironmongery work.	98395000-8
	Mailbox Systems	Supply and installation of secure/locked letter, post, mail box systems for multiple occupancies such as apartments, offices, universities etc. Installation services of street mailboxes	51545000-4
	Marble / Terrazzo Cleaning and Refurbishment	Renovation and cleaning of marble and terrazzo floors and surfaces by shot-blasting, wet grinding, and polishing with diamond abrasive, including deep pore cleaning, sealing, crystallisation epoxy resin face filling and joint replacement. Marble and calcareous building stone.	44911000-9
	Mechanical ventilation with heat recovery systems	Supply and install ventilation system with heat recovery unit. A Green Deal category	45331200-8
	Metalwork (Architectural / Blacksmith)	Fabrication and installation of steel or wrought iron products for architectural features, including grills, handrails and light barriers. Ironmongery work.	71550000-8
	Moulded Building Components	Manufacture and installation of bespoke moulded synthetic material architectural features, canopies, door surrounds, porticoes, columns, dormer and window roofs etc.	45262600-7
	Office Fit Out	Carrying out all work associated with fitting out an office including building finishes, fixtures and fittings. Office block.	45213150-9
	Painting & Decorating (General)	Painting & Decorating of all internal surfaces,	

Contractor work category descriptions

		including wall-papering and wall coverings of all kinds. Painting and glazing work within buildings. Painting work of buildings Decoration work	45442110-1 45451000-3
	Painting & Decorating (General)-(Partnering)	Painting & Decorating of all internal surfaces, including wall-papering and wall coverings of all kinds. Painting and glazing work within buildings. Firms must have experience of partnering. Painting work of buildings. Decoration work.	45442110-1 45451000-3
	Security Screens, Counters & Cash Units	Supply/installation of security screens, cash units & counters for staff safety. Installation services of office equipment.	51620000-4
	Shop fitting	Fitting out of the interiors of offices, shops etc. including joinery and glazing work to fixtures and fittings. Shop buildings.	45210000-2
	Showers	Installation, service, maintenance and repair of showers and associated equipment. Plumbing and drain-laying work.	45332000-3
	Shower waste water heat recovery devices.	Supply and install heat recovery unit to shower outlet. A Green Deal category	39715200-9
	Siphonic Drainage	Design and installation of a siphonic rainwater roof drainage system. Drainage system.	44163112-8
	Specialist Joinery	Design, manufacture & installation of specialist joinery work, including for marine market Joinery work	45421000-4
	Stair Treads And Nosings	Supply and fix stair treads and nosings. Staircases	44233000-2
	Storage Equipment (Shelving, Racking & Mezzanine Floors)	Supply, installation and maintenance of storage equipment (shelving, racking & mezzanine floors). Installation services of office equipment. Metal shelving. Work for warehouses and industrial buildings.	45213250-0
	Radiant heating	Supply and install radiant energy system either under floor, wall panels, skirting or ceiling panels. A Green Deal category	39715200-9

Contractor work category descriptions

	Variable speed drives for fans and pumps	Replace existing fans and pumps with variable speed units. A Green Deal category	39717000-1
	Washroom Systems	Installation of washroom systems including toilets, WCs, changing rooms, shower cubicles, washbasins and vanity units. Work on plumbing, joinery and fittings Plumbing and sanitary works	45330000-9
	Waste Stack Pipes Installation & Or Maintenance	Installation/maintenance of waste pipes in multi storey buildings, such as housing units or offices including work in occupied premises. Plumbing and sanitary works.	45330000-9
	Water source heat pumps	Supply and install heat pumps for heating water and central heating, using external water source. A Green Deal category	42511110-5
	Woodworm & Dry Rot Treatment	Chemical or similar treatment used to prevent or curtail woodworm & or dry rot. Wood, wood products, cork products, basketware and wickerwork. Pest-control services. Restoration work.	90921000-9
Building Finishes - Glazing			
	Double Glazing Restoration	Repairing failed double glazing units and condensation removal, restoring clarity. Glazing work	45441000-0
	Fire Resistant Glazing	Installation of fire resistant glazing systems. Glazing work.	45441000-0
	Glazing	Installing glass in a light, window or door. See also windows for specific type and separate category for secondary glazing. Glazing work.	45441000-0
	Glazed Canopies	Supply and installation of glazed canopies and awnings for passenger shelters, sheltered walkways, cycle storage and entrance features, including suspended canopies.	44115710-9
	Glazing (Patent)	A self draining ventilated dry glazing system not relying necessarily for it weather tightness upon external glazing seals; consisting longitudinal glazing bars and glass or other suitable infills. Glazing work.	45441000-0

Contractor work category descriptions

	Glazing, Risk Assessment	Evaluation of current glazing safety. Glazing work.	45441000-0
	Replacement glazing	Install thermal efficient glazing. A Green Deal category	45441000-0
	Secondary Glazing	Install additional layers of glazing to existing windows. A Green Deal category	45441000-0
	Structural Glazing	Installation and manufacture of structural glazing for screens, partitions, worktops, glazed entrances and glass stairs Glazing work	45441000-0
	Windows And Doors (Auto Opening & Closing)	Automated doors, either used by remote control or sensor. Installation of doors and windows and related components. Automatic Window Control Installations	45421100-5
	Windows (Aluminium Clad)	Supply and installation of aluminium clad timber windows. Installation of windows.	45421132-8
	Windows (Aluminium Framed)	Supply and installation of aluminium framed windows Installation of windows	45421132-8
	Windows (Auto Opening And Closing)	Window opening with winding gear (either electric or manual) for high level or hard to reach windows	45421100-5
	Windows (Film Application & Definition)	The application of film to glazing C448 and to improve its shatter resistance. Glazing work.	45441000-0
	Window Hardware (Security)	Supply and install window security features including safety and security films, security shields and window restrictors. Windows	44221100-6
	Windows (Metal)	Installation of metal-framed windows. Installation of metal windows.	45421132-8
	Windows (PVCU)	Supply and installation or installation PVCU-framed windows. Installation of plastic windows.	45421132-8
	Windows (Timber)	Installation of timber-framed windows. Installation of wooden windows.	45421132-8
Building Finishes - Insulation			
	Duct insulation	Insulate ducts and piping. A Green Deal	45321000-3

Contractor work category descriptions

		category	
	Draught proofing	Seal draughts in windows, doors, ceiling/wall joints, floorboards, loft hatches, etc. A Green Deal category	45321000-3
	External wall insulation systems	Supply and install insulation boards, slabs and reinforced render to walls. A Green Deal category	45321000-3
	Insulation (Building)	All methods of insulating and draught proofing to improve the thermal efficiency of a building. Insulation work.	45320000-6
	Insulation (Cavity Injection)	Cavity insulation injected after the wall has been constructed. Insulation work.	45320000-6
	Insulation (Cavity Wall & Dry Lining)	Drill holes in walls, pump in insulation and brick up holes in walls. A Green Deal category	45320000-6
	Insulation (Door, Multiple Glazing, Draught Proof)	Draft proofing and insulation used on doors and windows. Insulation work.	45320000-6
	Insulation (Plant & Pipeline)	Use of wrapped and removable insulation to reduce the passage of heat from pipelines and plant. See also pipe work. Insulation work.	45320000-6
	Insulation (Roof & Loft)	Supply and install loft insulation including insulation of loft hatch. A Green Deal category	45320000-6
	Insulation (Sound)	The installation of products to reduce sounds. Sound insulation work.	45323000-7
	Insulation (Sprayed External)	External insulation, whereby an insulating render is sprayed onto the structure. Insulation work.	45320000-6
	Internal wall insulation systems (for external walls)	Fit insulated dry lining board or an insulated stud wall to internal walls. A Green Deal category	45321000-3
	Pipework insulation	Insulate piping. A Green Deal category	45321000-3
	Sealing improvements	Seal draughts and leaks in ducts. A Green Deal category	45321000-3

Contractor work category descriptions

	Under-floor insulation	Lift floorboards and install insulation between joists on suspended floor or install rigid foam insulation either above or below concrete base on solid floors. A Green Deal category	45321000-3
Building Finishes - Internal Walls / Ceilings			
	Ceilings (Integrated)	Installing integrated ceilings to conceal and support pipe work, cables etc.	45421146-9
	Ceilings (Suspended)	Installation of suspended ceilings including structural frame and infill panels. Can be packaged into which service elements are fitted, some systems have integrated services.	45421146-9
	Cladding (Hygiene)	Internal cladding of walls and surfaces for such as catering and medical facilities where a high standard of hygiene is needed. Includes installation of stainless steel and PVCu cladding. Cladding works.	45262650-2
	Partitions	Installation of non load bearing fixed internal divisions including moveable partitions, sliding. Folding partitions, operable walls. Installation of partition walls.	45421141-4
	Plastering	Internal plastering (including fibrous) applied by hand providing a surface for decoration. Plastering work.	45410000-4
	Tiling (Wall)	The fixing of wall tiling. Wall-tiling work.	45431200-9
Building Finishes - Painting & Decoration			
	Fire Protection Coating	Application of fire resistant coating applied to new, bare or stripped surfaces or to previously painted surfaces, upgrading Warrington Class 4 Blue board. Application work of protective coatings	45442000-7
	Painting	Painting of shelves, fences and walls. Floor-laying and covering, wall-covering and wall-papering work.	45442100-8
	Painting (Refurbishment Of Ceilings)	Re-Spraying of all ceilings including suspended ceilings with specialist coatings in situ. Painting work.	45442110-1
	Painting And Decorating (Conservation)	High quality decorative work including specialist painting and decorative crafts on	45442110-1

Contractor work category descriptions

		listed buildings, conservation work etc. Floor-laying and covering, wall-covering and wall-papering work.	
	Shot & Grit Blasting	A method of removal of rust from steel for preparation for painting or cleaning or de-scaling, also cleaning stone and concrete, by blasting abrasive medium at the surface. Blast-cleaning services for tubular structures.	90912000-3
	Signs	Design manufacture and installation of sign and way finding systems including suspended, projecting, wall, directory, door, freestanding, panel and post, braille and tactile, name plate displays. Vehicle wrapping and semi-wrapping.	34928470-3
	Steelwork Protection	Protection of steelwork through the application of paint, metal coating (galvanizing or the direct spraying of zinc or aluminium) and plastic coating. Application work of anti-corrosive coatings.	45442200-9
Building Finishes - Roofing			
	Roof Lights & Access Hatches	Installation of roof lighting and access hatches. Erection and related works of roof frames and coverings.	45261000-4
	Roofing	General roofing contractors. Roof works and other special trade construction works.	45261000-4
	Roofing (Aluminium)	Installation of aluminium roofing. Metal roof-covering work.	45261213-0
	Roofing (Asphalt)	Roofing which contains two or more layers of asphalt, used for example on car parks and flat roofs. Bituminous roof-covering work.	45261214-7
	Roofing (Decking)	Installing steel sheet decking on which concrete is poured. Roof-covering and roof-painting work.	45261200-6
	Roofing (Felt)	Roofing mainly built up roofing using bitumen and single ply. Bituminous roof-covering work.	45261214-7
	Roofing (Fibre Cement Sheeting)	Roofing using fibre cement sheeting. Roof works and other special trade construction works	45261200-6
	Roofing (Glass Reinforced Polyester)	Flat roof waterproofing systems, using glass reinforced polyester liquid applied on site,	45261200-6

Contractor work category descriptions

		however some system utilise preformed facers etc or even may provide a full structural roofing system	
	Roofing (Single Ply)	Flat Roofing using single ply method. Roof-covering and roof-painting work.	45261200-6
	Roofing (Slating / Tiling)	Roofing (Slating / Tiling). Roof-tiling work. Roof-slating work.	45261211-6 45261212-3
	Roofing (Steel Sheeting)	Roofing using steel sheeting. Metal roof covering work	45261213-0
	Roofing (Synthetic Waterproof Services)	Flat Roof waterproofing, using synthetic preformed sheets including products such as EPDM sheeting, Trocal roofing systems and polymer systems. Erection and related works of roof frames and coverings.	45261200-6
	Roofing (Waterproofing)	Liquid applied waterproofing roof systems. Waterproofing work.	45261200-6
	Roofing (Zinc)	Specialist installers of zinc roofing. Metal roof-covering work.	45261213-0
Building General - Building Type			
	Brick And Blockwork	Laying of brick and blockworks. Masonry and bricklaying work.	45262500-6
	Chimneys (Brick)	Brick construction of chimney containing one or more flue to convey the products of combustion to the open air.	45262610-0
	Chimneys (Concrete)	Concrete construction of chimney containing one or more flue to convey the products of combustion to the open air.	45262610-0
	Chimneys (Linings)	Installation of chimney linings, metal, precast etc	45262610-0
	Concrete (In Situ)	Construction of reinforced concrete work on site. Reinforced-concrete work.	45262310-7
	Concrete (Precast)	Supply and installation of precast concrete structural elements, such as beams, joists, columns, floor slabs or wall units. Concrete work.	45262310-7
	Controlled Demolition	Controlled demolition of concrete structures by chemical or hydraulic bursting or concrete crushing, high pressure water jetting or hydro demolition, thermic lancing or robotics. Demolition work.	45111100-9

Contractor work category descriptions

	Demolition	Demolition and disposal of complete building. Demolition work.	45111100-9
	Dismantling	Dismantling structures to allow a measure of reuse. Demolition work.	45111300-1
	Masonry And Bricklaying Work	Masonry and bricklaying work including masonry and brick repair. Masonry and bricklaying work	45262500-6
	Movement Joints	Installation and maintenance of movement joints. Miscellaneous special trade construction work.	45262600-7
	Pointing	Pointing and repointing of brickwork and masonry. Masonry and bricklaying work	45262500-6
	Scaffolding	Provision of temporary structure providing access for construction workers and support for materials and equipment, including falsework. Scaffolding work.	45262100-2
	Site Clearance	Site clearance or removal of products of demolition in preparation for new build. Site-clearance work.	45111213-4
	Site set-up & Hoarding	Erecting hoarding and temporary site accommodation, including partitioning off existing building to create site office space	44211100-3
	Steel Fixing	Supply and fixing reinforcing steel bars or cables in formwork or shuttering for construction of reinforced concrete	45262310-7
	Structural Steelwork	Fabrication and erection of structural frame from steel components provided by the manufacturers and fabricators. Includes trussed rafters, decking. Structural steel erection work.	45262400-5
	Timber Decking	Specialist use of timber with Hard or Softwood Decking to install balconies, walkways, leisure areas and ramps for disabled access with all relevant handrails as required	20300000-9
	Timber Structures	Use of timber for all main structural elements. Does not include conventional roof trusses or floor joists. Joinery and carpentry installation work.	45420000-7
Building General - General			
	Access Ramps	Access ramps for the disabled.	45210000-2

Contractor work category descriptions

	Building Refurbishment Over £15K	Repair, improvement or refurbishment work over £15K in value.	45453100-8
	Building Repairs And Improvements (Max Notation £15K)	Minor building repairs, small works, maintenance & improvements (max. notation or contract value £15k) Overhaul and refurbishment work.	45453100-8
	Fabric Structures Maintenance	Canopies.	44115710-9
	Installation Of Steel Stairs	Supply and installation of steel stairs for fire escapes and industrial plants and buildings	45262410-8
Building General - Sector			
	Building (Rehabitation)	To make an individual or number of houses habitable after they have become dilapidated, due to mis-use by tenants etc. Construction work for multi-dwelling buildings and individual houses.	45211000-9 45262690-4
Civil Engineering - Landscaping/Sports			
	Decorative Surfaces	Application of resin bonded / bounded decorative surfacing using various aggregates being used on landscaping schemes, footpaths, driveways, pedestrian areas etc. Various surface works.	45233200-1
	Dry Stone And Mortar Walls	Construction, repairs & pressure pointing to mortar and dry stone walls (including rural locations, National Parks and marine and costal defences).	45262500-6
	Fencing	Includes wood, metal and concrete fencing. Erection of fencing.	45342000-6
	Fencing (Security)	Secure fencing also microwave fencing.	45342000-6
	Fencing (Sports Facilities And Playgrounds)	erection of all types of fencing for sports facilities and playgrounds	45342000-6
	Invasive Plant Eradication	Eradication of invasive plant species including Japanese knotweed, giant hogweed, Himalayan balsam etc. Weed-clearance services. Weed-killing services.	77312000-0 77312100-1
	Irrigation And Water Systems	Supply and installation of irrigation and water systems for sports facilities, gardens etc., including ornamental water features.	43323000-3

Contractor work category descriptions

		Irrigation equipment.	
	Marking (Sports)	Application of court and pitch playing area line markings in sports stadia, halls, gyms etc. Sport related services	45212213-2
	Sports Equipment Installation / Maintenance	Supply, fit and maintenance of sports equipment, such as climbing walls. Construction work for sports facilities.	45212200-8
	Sports Grounds (Grass)	Lay (seed or turf) & maintenance of grass sports grounds. Landscaping work for sports grounds and recreational areas.	77314100-5
Civil Engineering - Roads & Bridges			
	Block Paving	Paving for hard landscaping including, concrete block and brick paving. Paving works.	45233222-1
Electrical - Aerials			
A4	Aerials (Domestic Tv & Satellite Etc)	Supply, install and maintain domestic TV and satellite systems. Television aerial installation work. Radio aerial installation work.	45312320-6
Electrical - Comms			
	Audio Visual Installation and Maintenance	Installation and maintenance of audio-visual systems including display equipment, control systems and switching systems for video conferencing, projector systems and webcasting in training rooms, lecture theatres, etc	51314000-6
A2	Closed Circuit Tv Systems	Closed circuit TV system installation in or around building for security systems. For contractors who use CCTV to survey pipelines etc, see pipeline - surveying	32235000-9
	Communication Systems (Telephone And Intercoms)	Communication system for use with telephone, intercoms etc. Installation of telecommunications equipment.	45314000-1
A4	Data Cabling Communications Systems	Installation and maintenance of cabling system for the transfer of data by electrical signal, excluding telecom and intercom system. Installation of cable infrastructure.	45314300-4
D1	Electronic Information Display Systems	Installation of systems providing information by means of electronic signs and displays including	45316000-5

Contractor work category descriptions

		passenger information systems, electronic bulletin boards, real time passenger information boards etc.	
	Part P Electrical Installations (Domestic Only)		45310000-3
	Public Address	Installation of systems for broadcasting information including general announcements, emergency voice alarms, ambient music in public areas. Public address systems.	30259800-7
	Telephone Systems	Installation of telecommunications equipment	45314000-1
Electrical - Control Systems			
A4	Computer Based Building Management Systems	Design, installation and commissioning of building management systems controlling HVAC, lighting, fire, security and other equipment/facilities. Installation services of computers and information-processing equipment.	51610000-1
A4	Computer Installation Services	Installation and maintenance of Computer racking and hardware. Installation services of computers and information-processing equipment.	51610000-1
A4	Control Panels	Installation/maintenance of panels to control heating/ventilation systems etc. Electrical installation work.	45310000-3
A4	Instrumentation & Control Equipment	Installation and maintenance of instrumental equipment such as gauges. Includes variable speed drives. Electrical installation work	45310000-3
A1	Leak Detection Systems	Installation and maintenance of equipment and systems for the detection of water, chemical, oil and gas leaks. Electrical installation work.	45310000-3
Electrical - External Lighting			
A1	Floodlighting	Illumination for large external areas e.g. football pitches. Installation of outdoor illumination equipment.	45316100-6
Electrical - Fire Alarms			

Contractor work category descriptions

A3	Fire Alarm Systems	Design, installation, commissioning and maintenance of fire detection and fire alarm systems Fire alarm system installation work	45312100-8
	Fire Alarms (Servicing And Maintenance)	Servicing and maintenance of fire detection and alarm systems (post installation) Fire-alarm system installation work	45312100-8
Electrical - General			
A1	Electrical Installation & Maintenance/Services	General maintenance of electrical services. Electrical installation work.	45310000-3
A1	Electrical Services	General maintenance of electrical services. Electrical installation work.	45310000-3
A5	External Electrical Installations	Electrical installation for external use only. Electrical installation work.	45310000-3
A1	Heat Management Systems	Supply/design & fit all types of control system including heating control panels and climate control.	45310000-3
A1	Internal Electrical Installations	Installation of internal electrical services, including lighting. Electrical installation work.	45310000-3
A1	Lightning Protection	Installation, maintenance and testing of lightning conductors to earth tall structures. Lightning-conductor installation work.	45312311-0
	Lighting systems	Supply and install lighting systems, fittings and controls, including roof lights, lamps and luminaires. A Green Deal category	31527260-6
A1	Stage Lighting, Sound And Control Systems	Supply, installation and maintenance of stage sound and control systems. Electrical installation work.	45310000-3
A1	Trace Heating	Installation and maintenance of trace heating systems for freeze protection of pipes, tanks, ramps, stairways, footpaths etc. and the provision of hot water systems. Electrical installation work.	45310000-3
Electrical - Power Supply			
A1	Electric Motors	Supply, install, commission electric motors of all types. Installation services of electric motors, generators and transformers.	51111100-4

Contractor work category descriptions

A1	Emergency Lighting & Power	Design, installation and commissioning emergency lighting and power systems Emergency power systems	31682510-8
A1	Emergency Lighting (Servicing And Maintenance)	Servicing, repair and maintenance of emergency lighting and power systems (post installation) Electrical installation work	45310000-3
Electrical - Security			
	Intruder Alarms	Supply and maintenance of intruder alarm systems. (Also includes perimeter intruder detection systems). Burglar-alarm system installation work.	45312200-9
Electrical - Testing			
A1	Portable Appliance Testing	Annual testing of all electrical appliances. (PAT). Electrical installation work.	45310000-3
A1	Testing Of Electrical Installations	Not to be confused with portable electrical testing of portable appliances, this categories. Covers wiring within houses, factory, hotels etc. Electrical installation work.	45310000-3
Mechanical - Boilers			
	Biomass Boiler	Installation and maintenance of biomass fuel boiler.	45331110-0
	Boilers Flue Sealing Dampers	Installation of flue sealing dampers. Boiler installation work.	45331110-0
	Boilers Up To 50Kw Domestic And Light Industrial	Boilers installed to perform domestic heating services. Boiler installation work.	45331110-0
	Burners, Combustion Equipment & Controls	A complete unit on which or in which a flame is maintained. Boiler installation work.	45331110-0
Mechanical - Building Service Equipment			
	Building Services Installation	Building services systems that include the majority of electrical and mechanical services including heating, lighting, and air cond., plumbing, and fire protection. Electrical installation work. Plumbing and sanitary works.	45300000-0
	Catering Equipment Installation	Installation and commissioning of all kinds of catering and kitchen equipment. Repair and maintenance services of catering equipment. Installation services of food-, beverage- and	51542000-3

Contractor work category descriptions

		tobacco-processing machinery.	
	Gas-fired condensing boilers	Supply and install gas-fired condensing boilers. A Green Deal category	45331110-0
	Gates & Barriers Installation & Maintenance	Installation/maintenance of gates, barriers and similar access systems. Installation of gates.	45421148-3
	Oil-fired condensing boilers	Supply and install oil-fired condensing boilers. A Green Deal category	45331110-0
Mechanical - Fire Protection			
	Fire Protection (Sprinklers)	Control of fire by automatic release of water. Fire fighting equipment installation work.	45343230-4
	Fire Protection-Smoke Vents (Automatic)	Control of spread of smoke, by smoke ventilation. Fire fighting equipment installation work.	45343200-5
Mechanical - General			
	Biomass Boilers		45331110-0
	Compressed Air Installations	Installation and maintenance of compressed air ring main to drive air motors. Compressed air pipeline work	45231500-0
	Energy Conservation Systems	Assessment of energy consumption of a building, including taking over the running of the energy systems. Including Installation and maintenance of Re-circulating hot water systems. Energy - Management services.	71314300-5
	Electric and Gas Meter Box Installation	Supply and install externally fitted gas and electricity meter box covers or over boxes. Repair and maintenance services of measuring apparatus	50411000-9
	Fixed Leak Detection	Installation, calibration and commissioning of fixed gas leak detection equipment for refrigeration & air conditioning systems , checking functionality, etc.	45231221-0
	Gas Safety Inspection	Inspection and testing of gas appliances and pipe work to ensure compliance with Gas Safety (Installation and Use) Regulations for Landlord Certificate purposes. Technical inspection and testing services.	71630000-3

Contractor work category descriptions

	Mechanical Services Maintenance	Maintenance and repair of heating, ventilation, air conditioning and other mechanical services	45351000-2
Mechanical - Heating			
	Heating controls (CH Systems)	Supply and install room thermostats, boiler thermostats or thermostatic radiator valves for wet central heating systems or warm air systems. A Green Deal category	39715210-2
	Heating, ventilation and air-con controls	Supply and install heating and air conditioning zonal controls or automatic balancing system. A Green Deal category	39715210-2
	Hot water cylinder insulation	(supply only)	45321000-3
	Heat Pumps	Supply and install air heat pumps for heating water and central heating. A Green Deal category	42511110-5
Mechanical - Heating And Ventilation			
	Air Conditioning	Installation and maintenance of equipment for an internal environment within predetermined levels of temperature, freshness, humidity and cleanliness. Air-conditioning installation work.	45331220-4
	Air Filtration Units	Supply Install & Service Air Filtration Units	45351000-2
	Air Quality Monitoring Systems	Systems used to monitor air quality may be outdoors as well as in doors. Ventilation and air-conditioning installation work.	90731100-1 90731800-8
	Boiler & Generator Fuels & Lubrication Oil Storage Up To 25000 Ltrs	Fuel and lubrications used in boilers and plant up to 25000 litres. Boiler installation work.	45331110-0
	Boiler Plant Maintenance Over 50Kw	Maintenance and inspection of boilers of over 50Kw, plant for industrial heating services. Boiler installation work.	45331110-0
	Boilers Over 50Kw	Boilers of over 50 KW installed to perform industrial heating services. Boiler installation work.	45331110-0
	Chillers (Building Services)	Supply and installation of chiller systems including air and water-cooled packaged	45331230-7

Contractor work category descriptions

		chillers, dry coolers and chiller condensers. A Green Deal category	
	Chillers (Industrial & Process)	Supply and installation of chiller systems including air and water-cooled packaged chillers, dry coolers and chiller condensers. A Green Deal category	45331230-7
	Commissioning (Hvac Installations)	Commissioning of total heating & ventilation systems	45331200-8
	De-Humidification Systems	Installation/maintenance of de-humidification systems, for the reduction of moisture in the air or structures. Ventilation and air-conditioning installation work.	45331200-8
Gas Safe Certificate	Gas Installations	Gas Safe (or CORGI for Northern Ireland) - registered installers of all types of gas facilities. Gas-fitting installation work.	45333000-0
Gas Safe Certificate	Heating (Central - Gas) Installation	Installation of gas fired central heating systems. Central-heating installation work.	45331100-7
Gas Safe Certificate	Heating (Central - Gas) Maintenance	Maintenance of gas-fired central heating systems. Central-heating installation work.	45331100-7
	Heating (Central - Oil) Installation	Installation of oil-fired central heating systems. Central-heating installation work.	45331100-7
	Heating (Central - Oil) Maintenance	Maintenance of oil - fired central heating systems. Central-heating installation work.	45331100-7
	Heating (Warm Air & Direct Fired) - Maintain	Inspection, servicing and repair of warm air & direct fired heating systems. Central-heating installation work.	45331100-7
	Mechanical Services Installation	Installation of heating, ventilation, air-conditioning services; where possible use the more specific term.	45351000-2
	Oil Burners	Supply, fit and maintenance of oil burners	45331000-6
Mechanical - Lifts / Access			
	Access Control Systems	Security measures that control access to premises, including locking systems. See also closed circuit TV. Access control system.	50610000-4
	Escalators	Moving stairs and including moving pavements	42416400-9
	Fire Escapes	Routes/stairs designed to be used in the event of a fire	29850000-2

Contractor work category descriptions

	Hoists	Mechanical plant for lifting materials or people. Installation services of lifting equipment.	51511100-8
	Lifts (Disabled Access)	Supply and install specialised equipment for disabled access, excluding stair lifts. Lift installation work.	45313100-5
	Lifts (General Care)	Lift maintenance and repair including lift refurbishment, shaft refurbishment, pit cleaning and disinfection, hypodermic needle and drug items removal, framework de-corrosion, lift door and access repair, lift pit water & oil pump out etc. Lift maintenance services.	50750000-7
	Lifts (Goods)	Installation of lifts and hoisting equipment for goods and material. Not for passenger use Lift installation work	45313100-5
	Lifts (Passenger)	Permanent lifting equipment that serves defined landing levels comprising a lift car, running at least partially between rigid vertical guides. Lift installation work.	45313100-5
	Lifts (Passenger) Term Contract	All personnel lifts including domestic and paternoster. Notation in this category is based on total contract value per annum. Lift installation work.	45313100-5
	Lifts (Scissor)	All personnel lifts including domestic and paternoster. Installation services of lifting equipment.	45313100-5
	Lifts (Service) - Electrically Operated	Lifts used normally to move goods and use scissor action rather than pulley. Lift installation work.	45313100-5
	Lifts (Stair Lifts)	Supply and install stair lifts. Lift installation work.	45313100-5
	Suspended Access Equipment	Equipment used to access windows for cleaning etc. Installation services of suspended access equipment.	51511300-0
Mechanical - Pipework			
	Ductwork	Installation, maintenance and repair of the piping that carries HVAC services. Heating, ventilation and air-conditioning installation work.	45331200-8
Gas Safe Certificate	Gas Appliances (Maintenance)	Maintenance of gas appliances. For	45231221-0

Contractor work category descriptions

		maintenance of boilers use boiler plant – maintenance. Gas supply mains construction work.	
Mechanical - Potable Water And Waste Treatment			
	Hot water controls	Supply and fit timers and thermostats to control hot water supply. A Green Deal category	42943000-8
	Hot water systems	Supply and install hot water systems. A Green Deal category	45332200-5
Other Services - Building Services			
	Building Services Maintenance (M & E)	General maintenance of mechanical and electrical installations.	45300000-0
