	Insulation (Sound)	The installation of products to reduce sounds. Sound insulation work.	45323000-7	
	Insulation (Sprayed External)	External insulation, whereby an insulating render is sprayed onto the structure. Insulation work.	45320000-6	
	Internal wall insulation systems (for external walls)	Fit insulated dry lining board or an insulated stud wall to internal walls. A Green Deal category	45321000-3	
	Pipework insulation	Insulate piping. A Green Deal category	45321000-3	
	Roof insulation	Supply and install roof insulation. A Green Deal category	45321000-3	
	Room in roof insulation	Supply and install room-in-roof insulation to pitched roofs. A Green Deal category	45321000-3	
	Sealing improvements	Seal draughts and leaks in ducts. A Green Deal category	45321000-3	
	Under-floor insulation	Lift floorboards and install insulation between joists on suspended floor or install rigid foam insulation either above or below concrete base on solid floors. A Green Deal category	45321000-3	

	Ceilings (Integrated)	Installing integrated ceilings to conceal and support pipe work, cables etc.	45421146-9	
	Ceilings (Suspended)	Installation of suspended ceilings including structural frame and infill panels. Can be packaged into which service elements are fitted, some systems have integrated services.	45421146-9	
	Cladding (Hygiene)	Internal cladding of walls and surfaces for such as catering and medical facilities where a high standard of hygiene is needed. Includes installation of stainless steel and PVCu cladding. Cladding works.	45262650-2	
	Partitions	Installation of non load bearing fixed internal divisions including moveable partitions, sliding. Folding partitions, operable walls. Installation of partition walls.	45421141-4	
	Plastering	Internal plastering (including fibrous) applied by hand providing a surface for decoration. Plastering work.	45410000-4	
	Tiling (Wall)	The fixing of wall tiling. Wall-tiling work.	45431200-9	
Building Finishes - Painting & Decoration				
	Hygiene Coating	Application of coatings by brush or roller in hygiene sensitive environments to provide easily cleanable surfaces which are durable and stand up to repeated washing with hot water. Application work of protective coatings.	45442000-7	
	Fire Protection Coating	Application of fire-resistant coating applied to new, bare or stripped surfaces or to previously painted surfaces, upgrading Warrington Class 4 Blue board. Application work of protective coatings	45442000-7	
	Painting	Painting of shelves, fences and walls. Floor-laying and covering, wallcovering and wall-papering work.	45442100-8	
	Painting (Refurbishment of Ceilings)	Re-Spraying of all ceilings including suspended ceilings with specialist coatings in situ. Painting work.	45442110-1	
	Painting and Decorating (Conservation)	High quality decorative work including specialist painting and decorative crafts on listed buildings, conservation work etc. Floor-laying and covering, wallcovering and wall-papering work.	45442110-1	
	Shot & Grit Blasting	A method of removal of rust from steel for preparation for painting or cleaning or de-scaling, also cleaning stone and concrete, by blasting abrasive medium at the surface. Blast-cleaning services for tubular structures.	90912000-3	
	Signs	Design manufacture and installation of sign and way finding systems including suspended, projecting, wall,	34928470-3	

		directory, door, freestanding, panel and post, braille and tactile, name plate displays. Vehicle wrapping and semi-wrapping.		
	Spray Painting & Coating	Using air assisted electrostatic and HVLP processes for painting and coating walls, cladding, ceilings and doors, etc	45442110-1	
	Steelwork Protection	Protection of steelwork through the application of paint, metal coating (galvanizing or the direct spraying of zinc or aluminium) and plastic coating. Application work of anti-corrosive coatings.	45442200-9	
Building Finishes - Roofing				
	Sedum (Green) Roofing Systems	Apply a layer of sedum plants in turf form, pre-grown mats, cuttings or plug plants, including drainage layer, to roof for insulation. Can be extensive or semi-extensive green roof format. Includes meadow roofs, brown roofs, biodiversity, living or eco-roofs. A Green Deal category	45261410-1	
	Roof Lights & Access Hatches	Installation of roof lighting and access hatches. Erection and related works of roof frames and coverings.	45261000-4	
	Roofing	General roofing contractors. Roof works and other special trade construction works.	45261000-4	
	Roofing (Aluminium)	Installation of aluminium roofing. Metal roof-covering work.	45261213-0	
	Roofing (Asphalt)	Roofing which contains two or more layers of asphalt, used for example on car parks and flat roofs. Bituminous roof-covering work.	45261214-7	
	Roofing (Copper)	Specialist installers of copper roofing including fitting copper ridge systems and contract cleaning.	45261213-0	
	Roofing (Decking)	Installing steel sheet decking on which concrete is poured. Roof-covering and roof-painting work.	45261200-6	
	Roofing (Felt)	Roofing mainly built up roofing using bitumen and single ply. Bituminous roof-covering work.	45261214-7	
	Roofing (Fibre Cement Sheeting)	Roofing using fibre cement sheeting. Roof works and other special trade construction works	45261200-6	
	Roofing (Glass Reinforced Polyester)	Flat roof waterproofing systems, using glass reinforced polyester liquid applied on site, however some system utilises preformed facers etc or even may provide a full structural roofing system	45261200-6	

Contractor work category descriptions

	Roofing (Lead)	Specialist installers of lead roofing. Metal roof-covering work.	45261213-0	
	Roofing (Lead, Zinc & Copper)	Installation of leadwork, zinc or copper roofing. Metal roof-covering work.	45261213-0	
	Roofing (Single Ply)	Flat Roofing using single ply method. Roof-covering and roof-painting work.	45261200-6	
	Roofing (Slating / Tiling)	Roofing (Slating / Tiling). Roof-tiling work. Roof-slating work.	45261211-6 45261212-3	
	Roofing (Steel Sheeting)	Roofing using steel sheeting. Metal roof covering work	45261213-0	
	Roofing (Synthetic Waterproof Services)	Flat Roof waterproofing, using synthetic preformed sheets including products such as EPDM sheeting, Trocal roofing systems and polymer systems. Erection and related works of roof frames and coverings.	45261200-6	
	Roofing (Waterproofing)	Liquid applied waterproofing roof systems. Waterproofing work.	45261200-6	
	Roofing (Zinc)	Specialist installers of zinc roofing. Metal roof-covering work.	45261213-0	
Building Finishes - Waste Disposal				
	Asbestos Removal (Unlicensed)	The removal of asbestos cement and other low risk asbestos bearing materials, the process for which does not need a licence.	45262660-5	
	Asbestos Removal / Treatment	The removal and disposal of asbestos (licence required). Asbestos-removal work.	45262660-5	
Building General - Building Type				
	Bed Joint Reinforcement	Installation of bed joint reinforcements in masonry and brickwork including anchor, grout and helical fixing methods. Masonry and bricklaying work.	45262500-6	
	Brick And Blockwork	Laying of brick and blockworks. Masonry and bricklaying work.	45262500-6	
	Brick Tinting	Application of a colour fast pigment to give a permanent tint to brick, mortar and masonry surfaces. Masonry and bricklaying work	45262500-6	
	Building (Prefabricated/Temporary)	Supply and erect/install factory-prefabricated building for either temporary or permanent use.	45223800-4	
	Building (Prefabricated/Temporary) Refurbishment	Refurbishment, repair, maintenance of portacabins and modular buildings. Refurbishment work. Assembly and erection of prefabricated structures	45453100-8	
	Building (Prefabricated/Temporary) Supply & Install	For portacabin type buildings use Building (Prefabricated/Temporary) Supply & Install, for prefabricated elements that are assembled on site, use	44211000-2	

		Building (System). Assembly and erection of prefabricated structures.		
	Building (Steel frame)	Constructing buildings of which the structural members are of steel. Structural steel erection work for buildings.	45262410-8	
	Building (System)	Building which conforms to rigid dimensional disciplines to use limited number of standard components produced in a factory for assembly on site. There will be an element of site work. Building construction work.	45223800-4	
	Chimneys (Brick)	Brick construction of chimney containing one or more flue to convey the products of combustion to the open air.	45262610-0	
	Chimneys (Concrete)	Concrete construction of chimney containing one or more flue to convey the products of combustion to the open air.	45262610-0	
	Chimneys (Linings)	Installation of chimney linings, metal, precast etc	45262610-0	
	Concrete (Foam Concrete)	Supply and placement of lightweight foam concrete.	45262310-7	
	Concrete (In Situ)	Construction of reinforced concrete work on site. Reinforced-concrete work.	45262310-7	
	Concrete (Precast)	Supply and installation of precast concrete structural elements, such as beams, joists, columns, floor slabs or wall units. Concrete work.	45262310-7	
	Conservatories	Supply and erection/installation of conservatories	45210000-2	
	Conservatory Repairs	Repairs to roofs, windows, etc of conservatories. Work not necessarily carried out by original installers, or under warranty	45441000-0	
	Controlled Demolition	Controlled demolition of concrete structures by chemical or hydraulic bursting or concrete crushing, high pressure water jetting or hydro demolition, thermic lancing or robotics. Demolition work.	45111100-9	
	Dance Studio Fit -Out	Construction of and conversion to dance studios, including sprung floors and mirrored walls	45212300-9	
	Demolition	Demolition and disposal of complete building. Demolition work.	45111100-9	
	Dismantling	Dismantling structures to allow a measure of reuse. Demolition work.	45111300-1	
	Glass Blockwork	Supply and installation of glass blocks for walls, floors etc. Moulded-glass paving blocks, bricks or tiles	45262500-6	
	Glass Houses	Supply and erection of glasshouses or greenhouses	45441000-0	

	GRP Structures	Design, supply and install GRP structures such as industrial buildings, gatehouses, toll booths, ticket offices, security housing security doors and roadside range cabinets	44211000-2	
	Masonry and Bricklaying Work	Masonry and bricklaying work including masonry and brick repair. Masonry and bricklaying work	45262500-6	
	Modular School Buildings	Modular (prefabricated) building for school extensions including all services fitted out	45214200-2 45223800-4	
	Movement Joints	Installation and maintenance of movement joints. Miscellaneous special trade construction work.	45262600-7	
	Pointing	Pointing and repointing of brickwork and masonry. Masonry and bricklaying work	45262500-6	
	Rapid Response Services (Dangerous Structures)	Provision of rapid response and deployment of services, equipment and plant in support of dangerous structure events including structural scaffolding, cutting equipment, hydraulic propping equipment, pumping equipment, and CCTV, floodlighting, site hoarding and cordons, incident traffic management, flood defence products	35100000-5	
	Scaffolding	Provision of temporary structure providing access for construction workers and support for materials and equipment, including falsework. Scaffolding work.	45262100-2	
	Site Clearance	Site clearance or removal of products of demolition in preparation for new build. Site-clearance work.	45111213-4	
	Site set-up & Hoarding	Erecting hoarding and temporary site accommodation, including partitioning off existing building to create site office space	44211100-3	
	Steel Fixing	Supply and fixing reinforcing steel bars or cables in formwork or shuttering for construction of reinforced concrete	45262310-7	
	Structural Steelwork	Fabrication and erection of structural frame from steel components provided by the manufacturers and fabricators. Includes trussed rafters, decking. Structural steel erection work.	45262400-5	
	Temporary Works (Partnering)	Carrying out Temporary Works (partners) work under partnering arrangements. Firms must be able to demonstrate experience of partnering. Assembly and erection of prefabricated structures.	45210000-2	
	Timber Decking	Specialist use of timber with Hard or Softwood Decking to install balconies, walkways, leisure areas and ramps for disabled access with all relevant handrails as required	20300000-9	

	Timber Structures	Use of timber for all main structural elements. Does not include conventional roof trusses or floor joists. Joinery and carpentry installation work.	45420000-7	
Building General - General				
	Access Ramps	Access ramps for the disabled.	45210000-2	
	Building (Design & Construct)	Carrying out the design and construction of a building as a single package. Building construction work.	45210000-2	
	Building (General)	Carrying out the construction of a building, including all elements from foundations, structure, int and ext finishes to M&E work.	45210000-2	
	Building Refurbishment Over £15K	Repair, improvement or refurbishment work over £15K in value.	45453100-8	
	Building Rehabilitation Term Contract	To make an individual or number of houses habitable after they have become dilapidated, due to misuse by tenants etc. under a term contract. C271	45211000-9 45262690-4	
	Building Repairs and Improvements (Max Notation £15K)	Minor building repairs, small works, maintenance & improvements (max. notation or contract value £15k) Overhaul and refurbishment work.	45453100-8	
	Building Structure (Partnering)	Carrying out general building work under partnering arrangements. Firms must be able to demonstrate experience of partnering. Building construction work.	44115710-9	
	Fabric Structures Maintenance	Canopies.	44115710-9	
	General Construction Work - Building (Partnering)	Carrying out general building work under partnering arrangements. Firms must be able to demonstrate experience of partnering. Building construction work.	45210000-2	
	Installation of Steel Stairs	Supply and installation of steel stairs for fire escapes and industrial plants and buildings	45262410-8	
	Management Contracting (General Contracting Work)	The company is paid a fee to manage the works. The form of contract can be Construction Management, Management Contracting, Management Fee or Project Management, for general contracting work. Building construction work.	45210000-2	
Building General - Sector				
	Building (Care Homes/Nursing Homes)	Building care homes and nursing homes, including refurbishment and extension work. Residential homes	45215210-2	
	Building (Estates Regeneration)	Complete rejuvenation of existing housing stock. (Not just one or two properties)	45262690-4	
	Building (Hospitals)	Building hospitals, extending existing premises. Construction work for buildings relating to health.	45215100-8	

	Building (Industrial)	Building within industrial environment, including extensions	45213200-5	
	Building (Mod)	Building within specialised MOD sites. Construction work for military buildings and installations.	45216200-6	
	Building (Multi Storey Car Parks)	Construction of new multi storey car parks	45213312-3	
	Building (Museums, Art Galleries and Libraries)	Building museums/galleries/Libraries and extending existing premises	45212310-2	
	Building (Offices)	New build and refurbishment of commercial property. Construction work for commercial buildings.	45213100-4	
	Building (Police)	Building Specialised Police Facilities. Construction work for buildings relating to law and order.	45216111-5	
	Building (Prisons)	Building Specialised Prison Facilities. Construction work for buildings relating to law and order.	45216113-9	
	Building (Private Housing)	Working in the private housing sector on new build or refurbishment. Construction work for multi-dwelling buildings and individual houses.	45211000-9	
	Building (Rehabitation)	To make an individual or number of houses habitable after they have become dilapidated, due to misuse by tenants etc. Construction work for multi-dwelling buildings and individual houses.	45211000-9 45262690-4	
	Building (Religious)	New build and refurbishment of religious buildings. Church construction work. Religious buildings construction work.	45212361-4 45212360-7	
	Building (Residential Villages)	Building of purpose-built residential village communities for the elderly, including refurbishment and extension work. Building construction work	45211000-9	
	Building (Schools And Colleges)	Building schools, universities and colleges, including accommodation and extending existing premises	45214000-0	
	Building (Social Housing)	Working in the social housing sector on new build or refurbishment. Construction work for subsidised residential accommodation.	45215210-2	
	Building (Sports & Leisure)	Construction of sports and leisure facilities. Construction work for buildings relating to leisure, sports, culture, lodging and restaurants.	45212000-6	
	Building Refurbishment (Multi Storey Car Parks)	The refurbishment of dilapidated multi storey car parks to current standards. Carpark building.	45213312-3	
	Listed Building Work	Reconstruction and refurbishment work for listed buildings, buildings of historic interest and work in conservation areas Building construction work	45210000-2	
	Working in Occupied Premises	Ability to carry out building work in occupied premises with a minimum disruption to the client. Construction	45211000-9	

		work for multi-dwelling buildings and individual houses.		
Civil Engineering - Airfield Services				
	Marking (Runway)	(Aviation - marking) lines or symbols on a runway. Runway construction works.	45235111-4	
	Paved Area (Airfield) Asphalt	Paving of airfield runways, taxiways and hardstanding by asphalt or bituminous materials	45235000-3	
	Paved Area (Airfield) Concrete	The provision of airfield quality concrete. Runway construction works.	45235111-4	
	Slurry Sealing (Airfields)	The provision of slurry sealing for the use on airfields only. Runway construction works.	45235111-4	
Civil Engineering - Drainage/Pipework				
	Directional Drilling	Horizontal directional drilling for pipe, duct or cable installation underground without disturbing surface structures. Trenchless services installation under motorways, highways, waterways or railways. General construction work for pipelines.	45231100-6	
	Drain Inspection (CCTV)	The use of CCTV cameras to inspect drains	45232450-1	
	Drain Lining and Trenchless Repair	Repairs of underground pipelines & tunnels without the need to dig a hole. Trenchless repairs and drain lining	45231100-6	
	Drainage (Land)	Digging and regrading ditches and installation of drainage systems including pipes, soakaways, stormwater attenuation systems (tanks and traps), SUDS (sustainable drainage systems) and stilling ponds. Ground drainage work.	45111240-2	
	Drainage Pipelines (Partnering)	Carrying out general drain repairs work under partnering arrangements. Firms must have partnering experience. Sewer construction work.	45232400-6	
	Drains and Sewers (New)	The installation of new drains and sewers. Sewer construction work.	45232400-6	
	Drains and Sewers (Renovation)	Renovations of drains and sewers. Sewer construction work.	45232400-6	
	Impact Moling	Creation of borehole by percussive mole (soil displacement hammer), compacting and displacing ground rather than excavation and removal, including installation of new pipe or conduit as part of process. General construction work for pipelines.	45231100-6	
	Sand & Wick Drains	Construction of sand & wick drains. Construction of sand & wick drains	45232450-1	

Contractor work category descriptions

	Underground Buried Services	To provide buried services such as gas, electric, water pipes etc. Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork.	45231000-5	
	Well Drilling	The drilling of a well. The drilling of a well	45262220-9	
Civil Engineering - General				
Require RISQS	Bridges (Rail)	Construction of bridges carrying railway lines over roads, waterways, etc. Railway bridge.	45221112-0	
	Civil Engineering	Civil engineering works comprise the construction of infrastructure, groundworks and site preparation for building work	45200000-9	
	Civil Engineering (Design & Construct)	The firm acts as consultant, project manager and contractor for civil engineering work	45220000-5	
	Civil Engineering Construction (Partnering)	Carrying out general civil engineering work under partnering arrangements. Firms must have partnering experience. Works for complete or part construction and civil engineering work.	45220000-5	
	Concrete (Prestressed/Post Tensioned)	Supply and installation of post tensioned or prestressed concrete structural elements, either precast or in situ. Reinforced-concrete structures.	45262310-7	
	Concrete Repairs	Repairs to concrete by removal of damaged areas by mechanical means, treating exposed reinforcement and hand patching, spraying, guniting, crack injection, chemical bonding; electro-chemical corrosion treatment.	45262330-3	
	Concrete/Masonry Stabilisation	Repair and stabilisation of masonry or concrete, including tensile bolting, crack injection, chemical bonding and vacuum processes	45262330-3	
	Earthworks (Bulk)	Bulk or mass excavation or reprofiling earthworks	45112000-5	
	Ecological Waste Treatment	Installation of eco-restorers (living machines), lake restorers, reed beds and tanks including bacteria, algae, micro-organisms, plants and fauna to treat sewage, waste and wastewater by replicating processes which occur in nature. Sewage, refuse, cleaning and environmental services.	90000000-7	
	Environmental Work (Pedestrianisation Schemes)	All work associated with streetscape work on pedestrianisation schemes including paving and street furniture installation. Pedestrian zone.	45233260-9	
Require RISQS	Depot Rail	Railway - Depot Protection, Bogie Turntable, Central Vacuum System, Centre Lathe, Controlled Emission Toilet, Effluent Treatment Plant, Jacks, Loco Sand	34940000-8	

Contractor work category descriptions

		Dispensing System, Train Wash System, Wheel Drop, Wheel Lathe & Vehicle Moving Unit		
	Footpath and Bridleway Maintenance	Rural paths and bridleway surfacing, clearance and grading. Ditch improvement, culverts etc. Paths and other metalled surfaces.	45233160-8	
	General Construction Work - Civil Engineering (Partnering)	Carrying out civil engineering work under partnering arrangements. Firms must be able to demonstrate experience of partnering. Works for complete or part construction and civil engineering work.	45220000-5	
	Land Reclamation	The recovery of uncontaminated derelict or submerged land. See also drainage - land. Land-reclamation work.	45112320-4	
	Management Contracting (Civil Engineering and Infrastructure)	Carrying out civil engineering work under a management form of contract. Works for complete or part construction and civil engineering work.	45220000-5	
	Masts & Towers	Radio masts, lattice structures; erection and maintenance. Towers, lattice masts, derricks and pylons.	45223110-0	
	Noise and Environmental Barriers	Installation and maintenance of noise barriers for example to reduce motorway traffic noise to a residential area. Environmental improvement works.	45262640-9	
	Painting (Civil Engineering)	Painting steel bridges, railings, parapets, guardrail, concrete surfaces, etc and applying protective coatings and anti-carbonisation treatments. Painting work.	45442120-4	
	Pipe Jacking	Installing a pipe or duct through the ground by pushing it forward with hydraulic jacks. This also includes thrust boring where a casing is driven through the soil. Construction work for tunnels.	45221240-6	
Require RISQS	Railway Construction & Maintenance	The supply and installation of the permanent rail track including ballast and manufacture of turnouts. Track construction works.	45234100-7	
Require RISQS	Railway Construction (Partnering)	Carrying out Railway Construction work under partnering arrangements. Firms must have experience of partnering. Track construction works.	45234100-7	
	Safety Barriers	Portable Barriers (Deployment & Recovery)	45233280-5	
	Sewage Plant Operation and Maintenance	Operating and maintaining sewage treatment works and pumping stations	90481000-2	
	Sewage Treatment Works (Civils)	Civil engineering work for the provision and installation of all types of sewage treatment plant. Sewage treatment works.	45232420-2	
	Steel Erectors	Site erection only of prefabricated steelwork. Structural steel erection work.	45262400-5	

	Steel Fabrication	The fabrication of steel structural components. Fabricators deliver to site steelwork that can be erected into a structural frame. Structural steel works.	45223210-1	
	Street Furniture	Installation and maintenance of street furniture including bus shelters, smoking shelters, playground shelters, cycle, trolley shelters, walkways, kiosks, seats, benches, waste bins, bus stop poles etc. Installation of street furniture.	45233293-9	
	Stone Facing	Stone facing applied to bridges, viaducts, retaining walls, canals and reservoirs. Stonework.	45262510-9	
	Testing (Laboratory)	Testing of materials in laboratories, including destructive testing. Testing, inspection, analysis, monitoring and control services.	71600000-4	
	Testing (Materials on-site)	Testing of materials on site. Testing, inspection, analysis, monitoring and control services.	71632200-9	
	Testing (Vibration Monitoring)	Testing of structures/materials to monitor vibration. Testing, inspection, analysis, monitoring and control services.	71600000-4	
	Tunnelling	Tunnel boring and excavation, either shield and hand dig or by tunnel boring machine. Construction work for tunnels.	45221240-6	
	Tunnelling (Mini)	Mini tunnel boring. Construction work for tunnels.	45221240-6	
	Tunnelling and Underground Construction (Partnering)	Carrying out tunnelling work under partnering arrangements. Firms must be able to demonstrate experience of partnering. Construction work for bridges and tunnels, shafts and subways.	45221240-6	
	Water Features (Cleaning And Maintenance)	Cleaning and maintenance of water features, fountains, ponds including water treatment, aquatic weed and algae control, fish management, pump maintenance Environmental maintenance services. Miscellaneous cleaning services	90900000-6	
	Water Supply (New Pipelines)	Installation of pipelines used solely for water supply. Construction work for water and sewage pipelines.	45232150-8	
	Water Supply (Pipelines Renovations)	Repair/restoration of existing water supply pipeline. Water-main refurbishment.	45232151-5	
	Waterproofing (Structural)	Apply waterproof coating to structure e.g. foundations or water retaining structures, by bentonite, asphalt, hand applied or sprayed systems.	45261420-4	
Civil Engineering - Landscaping/Sports				

Contractor work category descriptions

	Block Paving (Imprinting)	Constructing concrete paved areas, that have a decorative imprint to simulate red brick block paving. Surface work for streets.	45233222-1	
	Community and Public Artworks And Features	Local participation with community artwork and features on building and landscaping projects including public artwork, bespoke street furniture, sculptures, play features, floorscapes, display items etc. Artistic Services	45212300-9	
	Decorative Surfaces	Application of resin bonded / bounded decorative surfacing using various aggregates being used on landscaping schemes, footpaths, driveways, pedestrian areas etc. Various surface works.	45233200-1	
	Dry Stone and Mortar Walls	Construction, repairs & pressure pointing to mortar and dry-stone walls (including rural locations, National Parks and marine and costal defences).	45262500-6	
	Environmental Mitigation	Work to be done resulting from restrictions imposed by planning authorities to ensure preservation of local wildlife. Includes hedge translocation, turf translocation and wetland habitat creation Natural resources management or conservation strategy planning services	90712400-5	
	Fencing	Includes wood, metal and concrete fencing. Erection of fencing.	45342000-6	
	Fencing (Security)	Secure fencing also microwave fencing.	45342000-6	
	Fencing (Sports Facilities and Playgrounds)	erection of all types of fencing for sports facilities and playgrounds	45342000-6	
	Forestry	The maintenance/planting of wooded area. Forestry services.	77200000-2	
	Ground Maintenance	Grass cutting, hedge trimming etc. For more active management and shaping use landscape works. Grounds maintenance services.	77314000-4	
	Ground Maintenance (Hydro Seeding)	Grounds Maintenance using the hydro seeding method. Seeding services.	77315000-1	
	Invasive Plant Eradication	Eradication of invasive plant species including Japanese knotweed, giant hogweed, Himalayan balsam etc. Weed-clearance services. Weed-killing services.	77312000-0 77312100-1	
	Irrigation and Water Systems	Supply and installation of irrigation and water systems for sports facilities, gardens etc., including ornamental water features. Irrigation equipment.	43323000-3	

Contractor work category descriptions

	Land Clearance	Clearance of rural land such as forestry, shrubs etc. Excavating and earthmoving work.	77211300-5 45111220-6	
	Landscape Sport Facilities and Playgrounds (Partnering)	Carrying out landscaping or sports fieldwork under partnering arrangements. Firms must have experience of partnering. Landscaping work for sports grounds and recreational areas.	45112720-8	
	Landscaping	Enhancement of the land by shaping and planting. Term includes landscape management, weed control, seeding planting, and hard and soft landscaping work. Landscaping work.	45112700-2	
	Landscaping (Interior)	Design, supply and maintenance of plants within a building. Interior gardens.	45451300-6	
	Marking (Sports)	Application of court and pitch playing area line markings in sports stadia, halls, gyms etc. Sport related services	45212213-2	
	Playground Equipment	Supply and installation. Some authorities insist installation is to BS 5696. A safety surface will be installed but this is a separate heading (see play areas - surfacing). Repair and maintenance services of playground equipment.	45212100-7	
	Sports and Playground Surfaces	Construction, repair and maintenance of all-weather external sports surfaces and multi-use games areas. This includes artificial turf, astro-turf and 3G pitches Landscaping work for sports grounds and recreational areas.	45112720-8	
	Sports Equipment Installation / Maintenance	Supply, fit and maintenance of sports equipment, such as climbing walls. Construction work for sports facilities.	45212200-8	
	Sports Grounds (Grass)	Lay (seed or turf) & maintenance of grass sports grounds. Landscaping work for sports grounds and recreational areas.	77314100-5	
	Sports Grounds (Grass) Term Contract	Lay (seed or turf) & maintenance of grass sports grounds under a term contract. Notation in this category is based on total contract value per annum. Landscaping work for sports grounds and recreational areas.	77314100-5	
	Street Trees	The supply, planting and maintenance of street trees. Tree-maintenance services.	77211500-7	
	Swimming Pools and Equipment Installation	Construction work for swimming pool.	45212212-5	
	Swimming Pools and Equipment Maintenance	Construction of swimming pool and swimming pool equipment. Construction work for swimming pool.	45212212-5	
	Swimming Pool Repairs	Repairs to swimming pools by such methods as fibreglass linings / membranes, cement-based	45212212-5	

		replastering or use of rubber-based or epoxy sealants, including leak detection work. Construction work for swimming pool.		
	Tree Surgery	Treatment of damaged trees, removing branches, bracing etc. Tree pruning.	77340000-5	
	Verge Cutting / Scrub Clearance	Maintenance of grass verge or scrub clearance, located beside motorways dual carriages etc. Scrub removal work. Verge maintenance work.	45111220-6 45233229-0	
	Verge Cutting / Scrub Clearance Term Contract	Maintenance of grass verge or scrub clearance, located beside motorways dual carriageways etc. Notation in this category is based on total contract value per annum. Scrub removal work. Verge maintenance work.	45111220-6 45233229-0	
	Waterbearing Lining	The waterproof lining of earth structures to produce landscaped artificial lakes and liquid storage reservoirs	45112700-2	
	Weed Control	Weed control measures on grass or paved areas including spraying. Weed-clearance services.	77312100-1 77312000-0	
	Weed Control (Term Contract)	The maintenance of grass or paved areas to ensure the eradication of weeds. Notation in this category is based on total contract value per annum. Weed-clearance services.	77312100-1 77312000-0	
Civil Engineering - Marine/River				
	Below Water Investigations	Investigations carried out below the water line, using divers, CCTV or echoing equipment. Diving services.	71351924-2	
	Diving	Diving services for inspection and maintenance of underwater structures. All divers must be licensed by the HSE and produce the necessary documentation.	71351924-2	
	Dredging	Dredging silt from harbours and waterways	45252124-3	
	Marine and River Construction (Partnering)	Carrying our marine or river work under partnering arrangements. Firms must have experience of partnering. Construction work for dams, canals, irrigation channels and aqueducts.	45240000-1	
	Marine (Hire)	Hire/supply of chartered boats, tugs, workboats and safety boats. Hire of external crew.	45240000-1	
	Maritime (Coastal)	Undertaking work in marine environment such as construction of docks, sea defences and general harbour work. Construction work for dams, canals, irrigation channels and aqueducts.	45240000-1	
	Maritime (Inland Waterways)	Undertaking civil engineering work on rivers, riverbanks, lakes and canals, including construction	45240000-1	

		and repair of weirs, lock gates, sluice gates, penstocks etc. Construction work for water projects.		
	Marine (Servicing)	Planned Maintenance of Boats/Ships as required by with the manufactory's specifications	50241000-6	
	Marine Window replacement/repair	Replacement and repair of windows for ships and boats	45441000-0	
	Boat/Ship/Tug Repairs	Repair and maintenance services of ships, boats and Tugs	50241000-6	
Civil Engineering - Piling / Groundworks				
	Anchors	Installation of ground anchors used to secure heavy items to the ground. Foundation work and water-well drilling.	45262210-6	
	Anchors (Soil Nails)	Installation of soil nails for ground anchoring	45111230-9	
	Contaminated Land Treatment	Decontamination of ground/soil and water by bioremediation, thermal treatment, soil washing, soil vapour extraction, groundwater recovery and treatment, chemical treatment, soil stabilisation and solidification. Soil-decontamination work.	90732300-0 90522300-5 90522400-6	
	Dewatering	Reduce the water level of flooded work or high-water tables	45111240-2	
	Diaphragm Walls	Construction of diaphragm walls using sheet piling	45262211-3	
	Geotechnical Works (Partnering)	Carrying out works of a geotechnical nature under partnering arrangements. Firms must be able to demonstrate experience of partnering. Excavating and earthmoving work.	45111200-0	
	Ground Stabilisation	General ground stabilisation work.	45111230-9	
	Ground Stabilisation (Dynamic Compaction)	Ground stabilisation using dynamic compaction. Ground-stabilisation work.	45111230-9	
	Ground Stabilisation (Ground Freezing)	Ground stabilisation using ground freezing. Ground-stabilisation work.	45111230-9	
	Ground Stabilisation (Soil Mixing)	Ground stabilisation carried out by mixing soil. Ground-stabilisation work.	45111230-9	
	Ground Stabilisation (Vibro Compaction)	Ground stabilisation carried out by using vibro compaction. Ground-stabilisation work.	45111230-9	
	Grouting (Deep)	Grouting of large voids, including unfilled mine shafts.	45111230-9	
	Grouting (Jet)	Repair of masonry, grouting using jets. Grouting work.	45262300-4	
	Pile (Testing)	Non-destructive testing of piling. Pile driving.	45262211-3	
	Pile Cutting	Cutting tops of piles by jack hammering or concrete crunching	45262210-6	

	Piles (Bored <600Mm)	Concrete columns cast in situ bored into the ground less than 600 mm diameter. Pile driving.	45262211-3	
	Piles (Bored >600Mm)	Concrete columns cast in situ bored into the ground more than 600 mm diameter. Pile driving.	45262211-3	
	Piles (Micro)	Installation of micro piles. Pile driving.	45262211-3	
	Piles Displacement (Concrete, Steel, Timber)	Piles driven into ground. Maybe either concrete, steel or timber. Pile driving.	45262211-3	
	Retaining Walls (Bored Pile Walls)	The construction or retaining wall using a bored pile process. Pile driving.	45262211-3	
	Retaining Walls (Reinforced Earth)	Construction of retaining walls using reinforced earth methods. Foundation work and water-well drilling.	45111230-9	
	Retaining Walls (Sheet Pile Walls)	The construction of retaining walls using steel sheet piling. Pile driving.	45262211-3	
	Retaining Walls (Soldier Pile Walls)	The construction using soldier piling. Pile driving.	45262211-3	
	Underpinning	Replacement or strengthening of foundations of structures by undermining the structure and providing extra support. Underpinning. Foundation work.	45262210-6	
Civil Engineering - Roads & Bridges				
	Anti-Skid And Coloured Surfacing	Painting or spraying of road areas to prevent skidding and to show demarcation. Surface coating.	45233228-3	
	Asphalt Surfacing	Laying asphalt surfacing (thin layer technology) for roads. Various surface works.	45233200-1	
	Asphalt Surfacing (Machine Laid)	Laying asphalt surfacing (thin layer technology) for roads. Various surface works.	45233200-1	
	Block Paving	Paving for hard landscaping including, concrete block and brick paving. Paving works.	45233222-1	
	Bridge (Deck Waterproofing)	Supply and application of the waterproofing for bridge decking, usually spray applied. Bridge.	45221100-3	
	Bridge (Foot)	Design and build bridges for pedestrians, cycleways, bridleways and off highway vehicles. Construction types include steel bridges, wooden bridges, timber bridges, suspension bridges, truss bridges and bridges in kit form Footbridge construction work	45221113-7	
	Bridge (Strengthening and Refurbishment)	Civil engineering works to strengthen & refurbish bridges, including steel- and carbon fibre plate bonding. Bridge renewal. Structures.	45221119-9	
	Bridge Bearing and Movement Joints (Install Or Maintain)	Installation and repair of bridge bearings and movement joints. Bridge renewal.	45221119-9	
	Bridges (Road)	Construction of bridge to carry road traffic over rail, water, etc. Road bridge.	45221111-3	

	Bridges (Weighing)	Installation of bridge for use of in weighing vehicles. Weighbridge services.	45221117-5	
	Carriageway in Depth Recycling	Reconstructing the road construction in-situ to a depth of up to 350mm by mixing existing materials with new binders to form a uniform strengthened structure in accordance with CI 948 of the Specification for Highway Works.	45233223-8	
	Carriageway Retread Process	Scarifying the existing surface of the road to a depth of up to 75mm, recycling existing materials with bitumen emulsion and providing successive layers of single size aggregate/emulsion to close surface voids.	45233200-1	
	Concrete (Scoring and Grooving) Highways	Grooving, scabbling, scoring, or routing to provide a key for resurfacing. Various surface works.	45233200-1	
	Concrete Carriageway (Pavement Quality)	Pavement quality concrete for roads and airfields.	45235111-4	
	Concrete Pavements (Joint Sealing)	Construction work for highways, roads.	45233100-0	
	Concrete Repairs (Highways and Bridges)	Sealing concrete joints in carriageways	45233200-1	
	Concrete Repairs (Highways and Bridges)	Concrete Repairs to carriageways, bridges and structures	45262330-3	
	Concrete Surface Impregnation	Application of corrosion inhibitors to concrete surfaces on roads and highways to provide protection against weather corrosion. Various surface works	45233200-1	
	Grooving Asphalt	Grooving of asphalt on road and drives. Various surface works.	45233200-1	
	Inductive Loop Cutting	Sawing road surfaces, installation of detector loop and making good road surfaces for traffic signals, speed cameras etc. Installation of traffic lights.	45233200-1	
	Maintenance of Telecommunications Equipment (Roadside)	Maintenance of roadside telecommunications equipment, motorway telecoms	45314000-1	
	Marking (Road)	Marking of lines and symbols on a road. Road-surface painting work.	45233221-4	
	Paved Areas (Fuel Resistant Surfacing)	Paved areas using fuel resistant materials. Various surface works.	45233200-1	
	Paved Areas (Other Than Airfield Pavements)	Construction of paved areas. Construction work for highways, roads.	45233222-1	
	Pavement Construction (Partnering)	Carrying out road and airfield repair, resurfacing and reconstruction work under partnering arrangements. Firms must have experience of partnering. Various surface works.	45235111-4 45233100-0	
	Reflective Studs	Supply and installation of reflective studs used on roadways. Construction work for highways, roads.	45233200-1	
	Road (Kerbing Grano, Blocks, Slabs, Bricks Etc)	Installation of kerbing using grano, blocks, paving slabs, bricks, etc. Construction work for highways, roads.	45233200-1	

	Road (Surface Dressing)	Spray apply bitumen onto existing road surface, apply stone chippings and roll. Various surface works.	45233200-1	
	Road Construction	Construction of new roads, road widening or new alignment. Construction work for highways, roads.	45233100-0	
	Road Maintenance (Major Works)	Motorway, national, town and county roads - pavement reconstruction and major resurfacing. Highway maintenance work. Road-maintenance works.	45233139-3 45233141-9	
	Road Maintenance (Major Works) Term Contracts	Work over £100K. Notation in this category is based on total contract value per annum. Highway maintenance work. Road-maintenance works.	45233139-3 45233141-9	
	Road Maintenance (Minor Works)	Work over £100K. Notation in this category is based on total contract value per annum. Highway maintenance work. Road-maintenance works.	45233139-3 45233141-9	
	Road Maintenance (Minor Works) Term Contracts (Max Notation £100K)	Work up to £100K. Notation in this category is based on total contract value per annum. Highway maintenance work. Road-maintenance works.	45233139-3 45233141-9	
	Road Planning			
	Signs (Gantry Including Electrical)	Signs used on motorway/major road gantries including electrical work. Installation of signalling equipment.	45316200-7	
	Signs (Road-Directional, Road Names and Traffic Control)	Signs used on roads for directional, road names and traffic control. Installation of signalling equipment.	45233290-8	
	Slurry Sealing (Roads and Footpaths)	The provision of slurry sealing for the use on roads. Construction work for highways, roads.	45233100 45233200-1	
	Steelwork Bridges	Supply and erection of steel bridges. Construction work for steel bridges.	45221115-1	
	Surface Retexturing	Restoration of the texture of road and highway surfaces by physical abrasion, high pressure water etc. methods. Various surface works	45233200-1	
	Temporary Bridges	Temporary pedestrian and vehicle bridges for roads, railways, events and construction sites. Bailey Bridges.	45221115-1	
	Traffic Calming Schemes	Installation of speed bumps (sleeping policemen), road narrowing, chicanes etc., to slow traffic. Traffic-calming works.	45233150-5	
	Traffic Management (Temporary)	Provision of cones, temporary signage and traffic lights for traffic management. Construction, foundation and surface works for highways, roads.	45233290-8	
	Ultra-High-Pressure Water Jetting	Vibration free cutting, removal and profiling of concrete, road surfaces, retexturing and paint line removal.	45262330-3	
	Vehicle Restraint Fencing and Barrier Systems	Supply, Installation & maintenance of steel and concrete vehicle barriers and safety fencing systems,	45233280-5	

Contractor work category descriptions

		including Armco type systems. Erection of road-barriers.		
	Water Treatment Works (Civils)	Civil engineering work for the provision and installation of all types of water treatment plant. Water-treatment plant.	45252120-5	
Civil Engineering - Site Investigation				
	Archaeological Fieldwork	archaeological fieldwork including excavation and evaluation	45111250-5	
	Geophysical Surveys	Undertaking geophysical surveys	71351000-3	
	Geotechnical Works (Laboratory Testing-Geochemical)	Laboratory testing of materials by geochemical techniques	71351000-3	
	Geotechnical Works (Laboratory Testing-Geotechnical)	Laboratory testing of materials by geotechnical techniques	71351000-3	
	Geotechnical Works (Site Investigation Work)	Site investigation survey - specialist capacity, includes borehole surveys.	71510000-6	
	Ground Investigations	Ground investigation work.	45111250-5	
	Underground Services Survey	Surveys used in the supply and maintenance of underground buried services. Geophysical consultancy services.	90491000-5	
	Vehicle Servicing Equipment	Installation & maintenance of vehicle service equipment, (garage equipment). Repair and maintenance services of motor vehicles and associated equipment.	71351000-3	
Electrical - Aerials				
A4	Aerials	Installation of aerials. Use masts and towers for lattice tower structures. Erection of aerials.	45232330-4	
A4	Aerials (Domestic Tv & Satellite Etc)	Supply, install and maintain domestic TV and satellite systems. Television aerial installation work. Radio aerial installation work.	45312320-6	
	Integrated Reception Systems	Supply, installation and maintenance of Integrated Reception Systems (IRS), for communal housing blocks. Television aerial installation work. Radio aerial installation work.	45312320-6	
Electrical - Car Park Services and Equipment				
A1	Building Services (Car Parks)	Installation and maintenance of building services including water supply and electrical work for car	45310000-3	

		parks. Installation work of illumination and signalling systems.		
A1	Electrical Services (Car Parks)	Installation and maintenance of electrical services for car parks including lighting design. Installation work of illumination and signalling systems.	45310000-3	
Electrical - Comms				
	Audio Visual Installation and Maintenance	Installation and maintenance of audio-visual systems including display equipment, control systems and switching systems for video conferencing, projector systems and webcasting in training rooms, lecture theatres, etc	51314000-6	
A2	Closed Circuit Tv Systems	Closed circuit TV system installation in or around building for security systems. For contractors who use CCTV to survey pipelines etc, see pipeline - surveying	32235000-9	
A2	Closed Circuit Tv Systems (Car Parks)	Closed circuit TV system installation in or around car parks. Surveillance system.	32235000-9	
A2	Closed Circuit Tv Systems (Highways and Roads)	Closed circuit TV system installation in or around highways, motorways and major roads. Surveillance system.	32235000-9	
	Communication Systems (Telephone and Intercoms)	Communication system for use with telephone, intercoms etc. Installation of telecommunications equipment.	45314000-1	
A4	Data Cabling Communications Systems	Installation and maintenance of cabling system for the transfer of data by electrical signal, excluding telecom and intercom system. Installation of cable infrastructure.	45314300-4	
D1	Electronic Information Display Systems	Installation of systems providing information by means of electronic signs and displays including passenger information systems, electronic bulletin boards, real time passenger information boards etc.	45316000-5	
	Fibre Optic Installation & Maintenance	Installation and maintenance of fibre optic system for the transfer of data by light signal. Installation of telecommunications equipment.	45314300-4	
	Fire Alarm Communication Systems (Deaf and Hearing Impaired)	Installation of fire alarm warning and communication systems for the deaf and hard of hearing. Installation services of communications equipment.	51300000-5	
D1	Health Care Communications	Installation of care communication systems including nurse call, staff, disabled persons, patient etc. alarm systems. Installation of telecommunication equipment	51300000-5	
	Part P Electrical Installations - Other Work (Domestic Only)		45310000-3	

Contractor work category descriptions

	Part P Electrical Installations (Domestic Only)		45310000-3	
	Public Address	Installation of systems for broadcasting information including general announcements, emergency voice alarms, ambient music in public areas. Public address systems.	30259800-7	
	Radio Communications	Supply of two-way radio communication systems and installation and maintenance of associated equipment. Installation services of radio equipment.	51311000-5	
	Refuge Area Communication Systems	Installation of refuge area alarm and communication systems for managing safety of disabled in an emergency. Installation services of communications equipment.	51300000-5	
	Scottish Approved Supplier Certification of Construction (Electrical Installations To Bs7671)		45310000-3	
	Telephone Systems	Installation of telecommunications equipment	45314000-1	
	Temporary CCTV Systems (Roads & Highways)	Temporary closed-circuit TV system installation in or around highways, motorways and major road maintenance works. Surveillance system	32235000-9	
Electrical - Control Systems				
A4	Computer Based Building Management Systems	Design, installation and commissioning of building management systems controlling HVAC, lighting, fire, security and other equipment/facilities. Installation services of computers and information-processing equipment.	51610000-1	
A4	Computer Installation Services	Installation and maintenance of Computer racking and hardware. Installation services of computers and information-processing equipment.	51610000-1	
A4	Control Panels	Installation/maintenance of panels to control heating/ventilation systems etc. Electrical installation work.	45310000-3	
A4	Instrumentation & Control Equipment	Installation and maintenance of instrumental equipment such as gauges. Includes variable speed drives. Electrical installation work	45310000-3	
A1	Leak Detection Systems	Installation and maintenance of equipment and systems for the detection of water, chemical, oil and gas leaks. Electrical installation work.	45310000-3	
Electrical - External Lighting				

A1	Aviation Ground Lighting	Installation of airfield lighting to illuminate runways and guide pilots. Installation of airport signalling equipment.	45316220-3	
A1	Floodlighting	Illumination for large external areas e.g. football pitches. Installation of outdoor illumination equipment.	45316100-6	
A1	Street Lighting	Provision of street lighting. Installation of road lighting equipment.	45316110-9	
Electrical - Fire Alarms				
A3	Fire Alarm Systems	Design, installation, commissioning and maintenance of fire detection and fire alarm systems Fire alarm system installation work	45312100-8	
	Fire Alarms (Servicing and Maintenance)	Servicing and maintenance of fire detection and alarm systems (post installation) Fire-alarm system installation work	45312100-8	
Electrical - General				
A1	Bedhead Services Trunking	Installation of bedhead services trunking systems for nurse call, electrical and medical facilities etc. Electrical installation work	45310000-3	
A1	Electrical Installation & Maintenance/Services	General maintenance of electrical services. Electrical installation work.	45310000-3	
A1	Electrical Installations (Design & Construct)	Complete package of design, project management and installation of electrical services.	45310000-3	
A1	Electrical Installations and Communication Installations (Partner)	Carrying out Electrical Installation and Communications Installations work under partnering arrangements. Firms must have partnering experience. Electrical installation work.	45310000-3	
A1	Electrical Services	General maintenance of electrical services. Electrical installation work.	45310000-3	
A1	Electronic Article Surveillance	Installation, serve and repair of security tagging equipment and systems.		
A5	External Electrical Installations	Electrical installation for external use only. Electrical installation work.	45310000-3	
A1	Heat Management Systems	Supply/design & fit all types of control system including heating control panels and climate control.	45310000-3	
A1	Internal Electrical Installations	Installation of internal electrical services, including lighting. Electrical installation work.	45310000-3	
A1	Lightning Protection	Installation, maintenance and testing of lightning conductors to earth tall structures. Lightning-conductor installation work.	45312311-0	

	Lighting systems	Supply and install lighting systems, fittings and controls, including roof lights, lamps and luminaires. A Green Deal category	31527260-6	
A1	Site Temporary Electrical Installation	Site temporary electrical installation.	45310000-3	
A1	Stage Lighting, Sound and Control Systems	Supply, installation and maintenance of stage sound and control systems. Electrical installation work.	45310000-3	
A1	Trace Heating	Installation and maintenance of trace heating systems for freeze protection of pipes, tanks, ramps, stairways, footpaths etc. and the provision of hot water systems. Electrical installation work.	45310000-3	
Electrical - Power Supply				
A1	Electric Motors	Supply, install, commission electric motors of all types. Installation services of electric motors, generators and transformers.	51111100-4	
A1	Electric Motors (Rewinds And Repairs)	Repairs and rewinds of electrical motors. Installation services of electric motors, generators and transformers.	51111100-4	
A5	Electrical Transmission & Distribution	Installing both HV and LV distribution and transmission systems. High voltage installation work. Medium-voltage installation work. Low-voltage installation work.	45315000-8	
A1	Emergency Lighting & Power	Design, installation and commissioning emergency lighting and power systems Emergency power systems	31682510-8	
A1	Emergency Lighting (Servicing And Maintenance)	Servicing, repair and maintenance of emergency lighting and power systems (post installation) Electrical installation work	45310000-3	
A1	Frequency Converters	Supply, fit & maintenance of machine to convert alternating current into direct current. Electrical installation work of heating and other electrical building-equipment.	45315300-1	
A1	Generating Plant From 100 Kw To 20 Mw	Supply and install of generators and plant required to run from the generators (from 100 Kw to 20Mw). Electricity supply installations.	45315300-1	
A1	Generating Plant Up To 100Kw	Supply, install and maintain generating plant (up to 100Kw).	45315300-1	
A1	Isolated Power Supplies	Installation of isolated power supply, an ungrounded electrical supply for such locations as operating theatres, cardiac areas and intensive care areas Electrical installation work	45310000-3	

A1	Switchboard Installation	Supply, installation and commissioning of LV switchboards. Installation of switchboards.	45314120-8	
A4	Uninterruptable Power Supplies	Supply and installation of uninterruptable power supplies (ups) for during power cuts, including use in healthcare sector for critical locations such as operating theatres Uninterruptable power supplies	31154000-0	
A1	Unknown			
A1	Voltage Control Systems	Installing voltage optimisation systems for changing mains electricity supply into higher frequency for efficiency purposes Voltage control systems	31161900-1	
Electrical - Security				
	Intruder Alarms	Supply and maintenance of intruder alarm systems. (Also includes perimeter intruder detection systems). Burglar-alarm system installation work.	45312200-9	
Electrical - Testing				
A1	Portable Appliance Testing	Annual testing of all electrical appliances. (PAT). Electrical installation work.	45310000-3	
A1	Portable Appliance Testing Term Contract	Annual testing of all electrical appliances under term contract. Notation in this category is based on total contract value per annum. Electrical installation work.	45310000-3	
A1	Testing of Electrical Installations	Not to be confused with portable electrical testing of portable appliances, these categories. Covers wiring within houses, factory, hotels etc. Electrical installation work.	45310000-3	
A1	Testing of Electrical Installations Term Contracts	Not to be confused with portable electrical testing of portable appliances, these categories. Covers wiring within houses, factory, hotels etc Notation in this category is based on total contract value per annum.	45310000-3	
Electrical - Transportation				
A1	Queue Management Systems	Supply installation of queue management system. Installation of illuminated road signs.	45316212-4	
A1	Signs (Moving Message Signs)	Supply and installation of moving message signs. Installation of illuminated road signs.	45316000-5	
A1	Traffic Counting Equipment	Provision of traffic counting equipment. Installation of traffic monitoring equipment.	45316210-0	
A6	Traffic Signals	Installation and maintenance of traffic signals. Installation of signalling equipment.	45316212-4	

Infrastructure - General				
	Chemical Plants	Installation and maintenance of chemical plants. Construction work for chemical-processing plant.	45253000-5	
	Desalination Plant Capable of Producing Over 1000 Litres of Water	Large-scale installation/maintenance desalination plants, to obtain drinking water from sea water. Purification plant equipment.	45253000-5	
	Generating Plant Over 1Mw	Supply and install of generators and plant required to run from the generators (over 1mw). Electricity supply installations.	45315300-1	
	Incinerators Plant	Total package including civils for installation of incinerators for burning waste of all types. Refuse-incineration plant.	45252300-1	
	Nuclear Engineering	Provision/maintenance of machinery for industrial processes within a radioactive environment. Nuclear-power station.	45251110-5	
	Process Plant	Provision of machinery for industrial processes. Construction works for plants, mining and manufacturing and for buildings relating to the oil and gas industry.	45250000-4	
	Process Plant (Design Develop & Construct)	Design, supply and install machinery for industrial processes. Construction works for plants, mining and manufacturing and for buildings relating to the oil and gas industry.	45250000-4	
	Radioactive Processing Plants	Provision/maintenance of machinery for industrial processes within a radioactive environment. Nuclear-power station.	45251110-5	
	Road Energy Systems	Installation of road energy systems to extract heat energy from roads, car parks and drives	65400000-7	
Infrastructure - Infrastructure				
	Mechanical (Design, Develop and Construct)	Undertaking complete package of mechanical design development and construction e.g. chemical plant, water treatment plant etc. Construction works for plants, mining and manufacturing and for buildings relating to the oil and gas industry.	45250000-4	
Infrastructure - Power Supply				
	Generating Plant From 20Mw	Installation and maintenance of generating plant from 20MW upwards. Electricity supply installations.	45315300-1	
	Generating Plant 100KW to 20 MW	Installation and maintenance of generating plant from 100KW to 20 MW.	45315300-1	

		Electricity supply installations		
	Micro wind generation	Supply and install wind turbine. A Green Deal category	31121300-3	
	Wind Turbines	Wind turbines	31121320-9	
Material				
	External Wall Insulation systems	Supply of external wall insulation (EWI) systems including acrylic, silicone, brick effect and dash finishes	45262650-2	
	Insulated Rendering systems	Supply of insulated render systems for external walls	45262600-7	
Mechanical - Boilers				
	Biomass Boiler	Installation and maintenance of biomass fuel boiler.	45331110-0	
	Boilers Flue Sealing Dampers	Installation of flue sealing dampers. Boiler installation work.	45331110-0	
	Boilers Up To 50Kw Domestic And Light Industrial	Boilers installed to perform domestic heating services. Boiler installation work.	45331110-0	
	Burners, Combustion Equipment & Controls	A complete unit on which or in which a flame is maintained. Boiler installation work.	45331110-0	
Mechanical - Building Service Equipment				
	Biomedical Engineering Services	Maintenance, service and repair of medical equipment used in healthcare establishments, including anaesthetic, ECG, defibrillators and electro-surgical units. Repair and maintenance services of medical and surgical equipment.	50420000-5	
	Building Services Installation	Building services systems that include most electrical and mechanical services including heating, lighting, and air conditioning, plumbing, and fire protection. Electrical installation work. Plumbing and sanitary works.	45300000-0	
	Catering Equipment Installation	Installation and commissioning of all kinds of catering and kitchen equipment. Repair and maintenance services of catering equipment. Installation services of food-, beverage- and tobacco-processing machinery.	51542000-3	
	Cathodic Protection and Electromechanical Treatments	The control of corrosion on metallic structures, including reinforced concrete, using cathodic protection or electromechanical treatment. Application work of anti-corrosive coatings.	45442200-9	BS EN 15257 Level 1 or 2

	Clock Repairs (Street Clocks, Townhalls Etc)	Maintenance and repair of street clock, town halls towers etc. Repair and maintenance services of clocks.	50432000-2	
	Corrosion Control (Steel Structures)	The control of corrosion on steel structures using electrochemical processes of specialised protective coatings. Application work of anti-corrosive coatings.	45442200-9	
	Covered Walkways	Supply and installation of covered walkways, to enable passengers and goods to travel between two points protected from weather. Fencing, railing and safety equipment installation work.	45213316-1	
	Cremator Equipment	Supply and maintenance of equipment for the formal disposal of bodies by cremation. Installation services of special-purpose machinery and equipment. Construction work for crematoriums.	51540000-9	
	Eyebolts	Installation, maintenance and periodic examination and testing of eyebolts etc. in accordance with BS EN 795 and BS 7883. Installation services of suspended access equipment.	51511300-0	
	Freezing & Chemical Treatment	Installation and maintenance of freezing & chemical treatment plants. Installation work of cooling equipment.	45331230-7	
	Gas-fired condensing boilers	Supply and install gas-fired condensing boilers. A Green Deal category	45331110-0	
	Gates & Barriers Installation & Maintenance	Installation/maintenance of gates, barriers and similar access systems. Installation of gates.	45421148-3	
	Hygiene Equipment	Supply, installation and maintenance of washroom facilities including air fresheners, sanitizers, hand washing, hand drying, tissue dispensers, feminine hygiene, sanitary disposal	90900000-6	
	Hygiene Equipment Term Contract	Term Contract for supply, installation and maintenance of washroom facilities including air fresheners, sanitizers, hand washing, hand drying, tissue dispensers, feminine hygiene, sanitary disposal.	90900000-6	
	Incinerators (For Local Site Use)	Installation of incinerators for burning local waste types. Refuse-incineration plant.	45252300-1	
	Laundry Equipment Installation and Maintenance	The supply, installation and maintenance of laundry equipment for use in hospitals etc. Installation services of laundry washing, dry-cleaning and drying machines.	51543400-4	
	Paint Spraying Installations	Spray painting systems including specialist positive pressure spray booths. Installation services of special-purpose machinery and equipment.	51540000-9	

Contractor work category descriptions

	Refractory Linings	Material able to withstand high temperatures, used to line furnaces. Refractory ceramic goods.	26263000-9	
	Refrigeration	Refrigeration services, such as cold rooms. Installation work of cooling equipment.	45331230-7	
	Refuse Chute Installation or Maintenance	Installation/maintenance of chutes used in the collection of refuse or builder's rubble. Refuse services.	90500000-2	
	Oil-fired condensing boilers	Supply and install oil-fired condensing boilers. A Green Deal category	45331110-0	
	Safe & Vault Engineering	Supply, installation and maintenance of safes and vaults. Armoured or reinforced safes, strongboxes and doors.	44421000-7	
	Safety Equipment (Including Fall Arrest System)	Installation of fall protection, fall arrest systems and safety equipment including platforms, decking, harnesses, netting, eyebolts, safelines, handrails, walkways, access steps etc. Suspended access equipment	51511300-0	
	Sluice Room Equipment	Supply, installation, maintenance and HTM validation of bedpan sluice machines and pulp macerators used in hospitals, care homes etc. Installation services of medical equipment	51400000-6	
	Sterilizers, Autoclaves and Washer Disinfectors	Installation, testing, maintenance and repair of sterilizers, autoclaves, washer disinfectors compliant to HTM 2010,2030 for hospitals, health centres, laboratories, surgeries, chiropractors, vets, tattooists etc.	51400000-6	
Mechanical - Car Park Services and Equipment				
	Car Park Equipment	Supply, installation and maintenance of ticket machines, meters and validation equipment. Control, safety or signalling equipment for parking facilities. Car-park control equipment.	34926000-4	
	Car Park Ventilation	Supply and installation of car park ventilation and smoke control systems for the removal of exhaust gases and the control and management of smoke. Ventilation installation work.	45331210-1	
	Vehicle Restraint Fencing & Barrier Systems (Car Parks)	Supply, installation and maintenance of pedestrian and vehicle barriers. Erection of road-barriers.	45233280-5	
Mechanical - Cranage				

	Cranes (Derrick)	A slewing crane with an adjustable arm pivoted at lower part of a vertical mast. (Also called a mast crane). Installation services of cranes.	51511110-1	
	Cranes (Dockside)	Semi mobile cranes with a luffing jib (adjustable arm) used at dockside. Installation services of cranes.	51511110-1	
	Cranes (Maintenance)	The routine maintenance carried out on cranes. Installation services of cranes.	51511110-1	
	Cranes (Overhead Travelling)	Crane that consists of one or two girders mounted on travelling end carriages; the hoist or chain block traverses the girder. Installation services of cranes.	51511110-1	
	Cranes (Stacker)	Wheeled crane with telescopic boom used for stacking (also called telehandlers). Installation services of cranes.	51511110-1	
Mechanical - Fire Protection				
	Fire Protection (Sprinklers)	Control of fire by automatic release of water. Fire fighting equipment installation work.	45343230-4	
	Fire Protection-Smoke Vents (Automatic)	Control of spread of smoke, by smoke ventilation. Fire fighting equipment installation work.	45343200-5	
	Fire Suppression Systems	Design, installation, commissioning and maintenance of fixed gaseous fire suppression systems Fire suppression system	35111500-0	
Mechanical - General				
	Automatic Utility Meter Reading Systems	Design and installation of Automatic Utilities Meter Reading Systems and Services (also known as Smart Metering) for accurate and timely billing, and consumption and carbon management. Energy meters.	38551000-2	
	Biomass Boilers		45331110-0	
	Chimneys (Steel)	Steel chimney containing one or more flue to convey the products of combustion to the open air. Scope includes boiler flue work, flue component installation and flue dilution systems. Industrial chimneys	45262610-0	
	Clean Rooms	Construction of Rooms that must be kept in a controlled environment, such as specialised computer rooms. Laboratory building.	45214631-2	
	Compressed Air Installations	Installation and maintenance of compressed air ring main to drive air motors. Compressed air pipeline work	45231500-0	

	Energy Conservation Systems	Assessment of energy consumption of a building, including taking over the running of the energy systems. Including Installation and maintenance of Re-circulating hot water systems. Energy - Management services.	71314300-5	
	Electric and Gas Meter Box Installation	Supply and install externally fitted gas and electricity meter box covers or over boxes. Repair and maintenance services of measuring apparatus	50411000-9	
	Fire Training Simulators)	Supply, installation and maintenance of live fire training simulators replicating real fire emergency situations involved with building, industrial, maritime, aircraft and military structures. Training Simulators	45343200-5	
	Fixed Leak Detection	Installation, calibration and commissioning of fixed gas leak detection equipment for refrigeration & air conditioning systems, checking functionality, etc.	45231221-0	
	Gas Quality Control Audit	Audit and quality control of gas maintenance and installation works to ensure performance standards and compliance with Gas Safety (Installation and Use) Regulations. Technical inspection and testing services.	71630000-3	
	Gas Safety Inspection	Inspection and testing of gas appliances and pipe work to ensure compliance with Gas Safety (Installation and Use) Regulations for Landlord Certificate purposes. Technical inspection and testing services.	71630000-3	
	Instrumentation & Control Equipment	Installation, maintenance, repair and commissioning of electrical systems control panels, control equipment and instrumentation. NOT including electrical work	51112000-0	
	Marine Plant (Repair)	The repair of all marine plant. Repair, maintenance and associated services related to marine and other equipment.	51510000-0	
	Mechanical Installations (Partnering)	Carrying out mechanical installation under partnering arrangements. Firms must have experience of partnering	45351000-2	
	Mechanical Maintenance Services (Valve Refurb)	Installation of heating, ventilation, air-conditioning services; where possible use the more specific term.	45351000-2	
	Mechanical Services Maintenance	Maintenance and repair of heating, ventilation, air conditioning and other mechanical services	45351000-2	

	Electric Motors (Rewinds and Repairs (Mech))	Repairs and rewinds to electric motors. NOT including electrical installation work	50532100-4	
Require RISQS	Railway Signalling	Installation, testing, commissioning and maintenance of railway signalling.	45234115-5	
	Vehicle Repair	Repair and maintenance services of motor vehicles and associated equipment	50110000-9	
Mechanical - Heating				
	Combined Heat and Power (Chp)	Local system of using energy wasted in the generation of power for heating buildings. Combined heat plant.	45251100-2	
	Ground Source Heating / Cooling Systems	Supply, install and maintain ground heat pumps for heating water and central heating. A Green Deal category	45251141-1	
	Heat Exchanger & Cooling Tower Installation/Maintenance	Installation and repair of heat exchange and cooling towers. Construction work for cooling towers.	45251150-7	
	Heating controls (CH Systems)	Supply and install room thermostats, boiler thermostats or thermostatic radiator valves for wet central heating systems or warm air systems. A Green Deal category	39715210-2	
	Heating, ventilation and air-con controls	Supply and install heating and air conditioning zonal controls or automatic balancing system. A Green Deal category	39715210-2	
	Hot water cylinder insulation	(supply only)	45321000-3	
	Heat Pumps	Supply and install air heat pumps for heating water and central heating. A Green Deal category	42511110-5	
Mechanical - Heating and Ventilation				
	Air Conditioning	Installation and maintenance of equipment for an internal environment within predetermined levels of temperature, freshness, humidity and cleanliness. Air-conditioning installation work.	45331220-4	

	Air-conditioning (F-gas installation)	Installation, maintenance or servicing stationary refrigeration, air conditioning and/or heat pump equipment containing or designed to contain F gas refrigerants to obtain an F gas Company Certificate. Air conditioning installation work.	45331220-4	
	Air Filtration Units	Supply Install & Service Air Filtration Units	45351000-2	
	Air Quality Monitoring Systems	Systems used to monitor air quality may be outdoors as well as in doors. Ventilation and air-conditioning installation work.	90731100-1 90731800-8	
	Boiler & Generator Fuels & Lubrication Oil Storage Up To 25000 Litres	Fuel and lubrications used in boilers and plant up to 25000 litres. Boiler installation work.	45331110-0	
	Boiler Plant Maintenance Over 50Kw	Maintenance and inspection of boilers of over 50Kw, plant for industrial heating services. Boiler installation work.	45331110-0	
	Boilers Over 50Kw	Boilers of over 50 KW installed to perform industrial heating services. Boiler installation work.	45331110-0	
	Chillers (Building Services)	Supply and installation of chiller systems including air and water-cooled packaged chillers, dry coolers and chiller condensers. A Green Deal category	45331230-7	
	Chillers (Industrial & Process)	Supply and installation of chiller systems including air and water-cooled packaged chillers, dry coolers and chiller condensers. A Green Deal category	45331230-7	
	Commissioning (Hvac Installations)	Commissioning of total heating & ventilation systems	45331200-8	
	De-Humidification Systems	Installation/maintenance of de-humidification systems, for the reduction of moisture in the air or structures. Ventilation and air-conditioning installation work.	45331200-8	
	Dust Control & Extraction	Removing and regulating dust in any area, used especially for workshops. See also Dust Suppression (Dry Fog Process). Ventilation and air-conditioning installation work	45331200-8	
	Dust Suppression (Dry Fog Process)	Installation, servicing and repair of dust suppression equipment using dry fog process, liquid neutralisers and micro-droplet dispersers. Including odour absorption	45331000-6	
Gas Safe Certificate	Gas Installations	Gas Safe (or CORGI for Northern Ireland) -registered installers of all types of gas facilities. Gas-fitting installation work.	45333000-0	
Gas Safe Certificate	Heating (Central - Gas) Installation	Installation of gas fired central heating systems. Central-heating installation work.	45331100-7	

Contractor work category descriptions

Gas Safe Certificate	Heating (Central - Gas) Maintenance	Maintenance of gas-fired central heating systems. Central-heating installation work.	45331100-7	
	Heating (Central - Oil) Installation	Installation of oil-fired central heating systems. Central-heating installation work.	45331100-7	
	Heating (Central - Oil) Maintenance	Maintenance of oil - fired central heating systems. Central-heating installation work.	45331100-7	
	Heating (Central - Solid Fuel) Installation	Installation of solid fuel central heating systems. Central-heating installation work.	45331100-7	
	Heating (Central - Solid Fuel) Maintenance	Maintenance of solid fuel central heating systems. Central-heating installation work.	45331100-7	
	Heating (Solar)	Supply and install solar panels for heating water supply. A Green Deal category	09332000-5	
	Heating (Under Floor)	Install additional layers of glazing to existing windows. A Green Deal category	45331100-7	
	Heating (Warm Air & Direct Fired) - Installation	Supply and install warm air heating unit and ducting. A Green Deal category	45331100-7	
	Heating (Warm Air & Direct Fired) - Maintain	Inspection, servicing and repair of warm air & direct fired heating systems. Central-heating installation work.	45331100-7	
	Mechanical Services Installation	Installation of heating, ventilation, air-conditioning services; where possible use the more specific term.	45351000-2	
	Oil Burners	Supply, fit and maintenance of oil burners	45331000-6	
	Refrigerant Gas Reclaim	The reclaim and safe disposal in accordance with regulations of recovered HFC / HCFC refrigerant. Ventilation and air conditioning installation work	45331000-6	
	Vehicle Exhaust Extraction Systems	Supply and Installation of vehicle exhaust extraction systems. Ventilation equipment.	45331210-1	
	Ventilation	Installation of systems to promote air movement or cooling or removal of air-borne contamination. Ventilation and air-conditioning installation work.	45331200-8	
Mechanical - Lifts / Access				
	Access Control Systems	Security measures that control access to premises, including locking systems. See also closed-circuit TV. Access control system.	50610000-4	
	Access Control Systems (Car Parks)	Supply, installation and maintenance of car park access control systems. Lift installation work.	50610000-4	
	Escalators	Moving stairs and including moving pavements	42416400-9	
	Fire Escapes	Routes/stairs designed to be used in the event of a fire	29850000-2	

	Hoists	Mechanical plant for lifting materials or people. Installation services of lifting equipment.	51511100-8	
	Hydraulic Systems	The control of fluids through channels and pipes. This can range from the control of rivers and drainage to water plants. Installation services of lifting equipment.	29838000-2	
	Lift, Elevator and Escalator Removal	Dismantling and removal of lifts, elevators, travelling walkways and escalators. Installation services of lifting equipment.	51511100-8	
	Lift Dynamic Load Testing	Proof load testing lifting gear including runway beams, lifting beams, overhead travelling cranes and swing arm jibs to include certification tested to BS2853. Technical inspection and testing services.	74313000-6	
	Lifts - Manually Operated	Permanent lifting equipment for the use of passengers, who will operate themselves. Lift installation work.	45313100-5	
	Lifts (Disabled Access)	Supply and install specialised equipment for disabled access, excluding stair lifts. Lift installation work.	45313100-5	
	Lifts (General Care)	Lift maintenance and repair including lift refurbishment, shaft refurbishment, pit cleaning and disinfection, hypodermic needle and drug items removal, framework de-corrosion, lift door and access repair, lift pit water & oil pump out etc. Lift maintenance services.	50750000-7	
	Lifts (Goods)	Installation of lifts and hoisting equipment for goods and material. Not for passenger use Lift installation work	45313100-5	
	Lifts (Passenger)	Permanent lifting equipment that serves defined landing levels comprising a lift car, running at least partially between rigid vertical guides. Lift installation work.	45313100-5	
	Lifts (Passenger) Term Contract	All personnel lifts including domestic and paternoster. Notation in this category is based on total contract value per annum. Lift installation work.	45313100-5	
	Lifts (Scissor)	All personnel lifts including domestic and paternoster. Installation services of lifting equipment.	45313100-5	
	Lifts (Service) - Electrically Operated	Lifts used normally to move goods and use scissor action rather than pulley. Lift installation work.	45313100-5	
	Lifts (Stair Lifts)	Supply and install stair lifts. Lift installation work.	45313100-5	
	Suspended Access Equipment	Equipment used to access windows for cleaning etc. Installation services of suspended access equipment.	51511300-0	
Mechanical - Mechanical Handling				
	Central Vacuum Systems	Internal piping/ductwork throughout a building to a central vacuum point. Compressed-air pipeline work.	45231500-0	

	Conveyors	Machine that continuously transports material, horizontally or up a slope using an endless belt. See also document handling equipment. Conveyor equipment.	42417200-4	
	Dock Levellers & Loading Bay Equipment	The supply fit and maintenance of dock levellers & loading bay equipment used in the handling of materials. Goods-handling platforms.	44423330-3	
	Document Handling Installations	Installation of equipment used for document shelving and handling including document conveyors and compact/rolling shelving. See also conveyors.	36122300-5	
	Mechanical Handling Equipment	Supply and installation of mechanical handling equipment, other than cranes, conveyors and lifts	45351000-2	
	Pneumatic Tube Conveying Systems	Design, Supply, install and maintain conveying system for the transport of cash in retail and entertainment. Including sample drugs, patient records etc in hospitals, samples etc in manufacturing industries. Compressed-air pipeline work.	45231500-0	
	Pumps	All types of pumps: for heating systems, marine use, use with fuel, or for external works. Pumps.	42122000-0	
Mechanical - Mechanical Process				
	Machine Tool Maintenance & Installation	All aspects of installation and maintenance of machinery tools. Installation services of machine tools.	51530000-6	
	Machinery Removals	All aspects of removal of machinery tools. Installation services of machine tools.	51530000-6	
	Metal Fabrication (General)	General fabrication and erection for mechanical installations. Not structural steel frames for buildings. Assembly of metal structures.	45262670-8	
	Metal Fabrication (Sheet)	Sheet metal work including installation for mechanical installations. Assembly of metal structures.	45262670-8	
	Testing Structural (On-Site Non-Destructive)	Non-destructive testing of materials site	71632200-9	
	Welding (On Site)	Welding on site to join two pieces of metal, to make repair. Assembly of metal structures.	45262680-1	
	Welding Equipment	Supply and installation of welding equipment. Assembly of metal structures.	45262680-1	
Mechanical - Pipework				
	Ductwork	Installation, maintenance and repair of the piping that carries HVAC services. Heating, ventilation and air-conditioning installation work.	45331200-8	
Gas Safe Certificate	Gas Appliances (Maintenance)	Maintenance of gas appliances. For maintenance of boilers use boiler plant – maintenance. Gas supply mains construction work.	45231221-0	

Gas Safe Certificate	Gas Pipelines (Mains)	Installation of mains gas pipelines. Gas supply mains.	45231221-0	
	Piped Gases (Industrial)	Supply, installation and maintenance of pipes and pipe work for industrial gases. Installation of pipe system.	45231112-3	
	Piped Gases (Medical)	Supply, installation and maintenance of pipes and pipe work to be used for medical gases in hospitals and in medical environments. Installation of pipe system.	45231112-3	
	Pipework	Installation and maintenance of pipe work for general purpose. Pipelaying.	45231110-9	
	Pipework (Compressed Air)	Installation of pipework for compressed air systems. Compressed-air pipeline work.	45231500-0	
	Pipework (Fabrication)	Fabrication of pipe work, not including erection. Onshore fabrication work.	45231100-6	
	Pipework (Petrochemical)	Installation of pipes and components for petrochemicals. Transport by pipeline of petroleum products.	45231200-7	
	Pipework (Pre-Insulated Mains)	Installation and maintenance of pipe work that is pre-insulated. Steam-generation plant.	45231112-3	
	Pipework (Steam Mains)	Pipes and components that route steam around a building. Steam-generation plant.	45231112-3	
Mechanical - Potable Water And Waste Treatment				
	Boreholes (Water Supply)	Construction and installation of water supply borehole systems. Water treatment work. Water well drilling.	45262220-9	
	Desalination Plant Capable of Prod Less Than 1000 Litres Of Water	Installation/maintenance small desalination plants, to obtain drinking water from seawater.	45253000-5	
	Electronic Beverage (Hot Water) Supply	Supply, install and maintain boilers to supply boiling water for hot drinks	09321000-5	
	Greywater Recycling Systems	Installation of systems for the collection of greywaters and its processing, storing and distribution. Water treatment work	45252120-5	
	Hot water controls	Supply and fit timers and thermostats to control hot water supply. A Green Deal category	42943000-8	
	Hot water systems	Supply and install hot water systems. A Green Deal category	45332200-5	
	Hot water taps	Supply and install hot water taps. A Green Deal category	45332200-5	

	Industrial Effluent Treatment Plant	Provision and installation of equipment for the treatment of industrial effluent.	45222100-0	
	Plumbing	Internal hot and cold-water services, above ground drainage, and installation of sanitary fittings, in houses and buildings. Plumbing and drain-laying work.	45332000-3	
	Rainwater Harvesting Systems	Installation of systems for the collection of rainwater and its processing, storing and distribution. Water treatment work.	45252120-5	
	RPZ Valve Testing (on site)	Annual site testing of Reduced Pressure Zone valves	45232100-3	
	RPZ Valve Installation	Supply, installation and commission Reduced Pressure Zone BA and backflow devices for prevention of water backflowing into water mains	45232100-3	
	Sewage Plant Machinery	Provision and installation of all types of sewage plant machinery such as pumps and filters. Sewage plant equipment.	45252130-8	
	Sewage Treatment Works (Package Plant)	Provision and installation of self-contained sewage treatment plant. Sewage plant equipment.	45252130-8	
	Site Temporary Plumbing Installation	Installation of temporary plumbing for site use: hot and cold-water supply and foul drainage including all drainage and connection work. Plumbing and sanitary works.	45330000-9	
	Water Coolers (Plumbed In)	Installation and maintenance of plumbed in water coolers including the supply of cups, related products and ancillary equipment.	45332000-3	
	Water-free Urinal Installation	Installing waterless or water-free urinals, including conversion from conventional urinals, and servicing	44411800-2	
	Water Softeners, Filtration and Purification Equipment	Supply, installation and maintenance of equipment for treating water, including water filtration, water softeners, etc. Machinery and apparatus for filtering or purifying water	42912300-5	
	Water Storage Tanks	Installation of tanks for the storage of water. Water-treatment work.	45252120-5	
	Water Treatment Plant	Installation of plant for the treatment of water. Water-treatment work.	45252120-5	
Mechanical - Tanks & Associated Services				
	Bulk Fuel Installations	Storage tanks/farms for heating fuels oils or other liquids. Installation services of tanks.	44611410-3	
	Cleaning (Tanks)	Specialist chemical cleaning of tanks. Tank cleaning services.	90913100-1	

	Fibreglass Linings and Bunds	Supply and installation of fibreglass linings for surface protection and restructuring of tank internal surfaces and creating watertight tank and bund linings. Repair and maintenance services of tanks.	50514100-2	
	Fuel Distribution & Control Systems	The supply, installation & maintenance of fuel distribution control systems	65400000-7	
	Geomembrane Linings	The liquid proof lining of tanks, tank bunds, reed beds, reservoirs and structures using a range of geomembranes including: Butyl rubber, EPDM, polyethylene, polypropylene, polyurethane and PVC in sheet form.	44610000-9	
	Petroleum, Oil & Lubrication Installations	Installation or maintenance of tanks/tank farms associated pipework controls, and bunds for bulk storage of POL. Installation services of tanks.	44611410-3	
	Petroleum, Oil & Lubrication Tanks Over 25000 Litres	Supply and installation of petroleum and oil tanks over 25000 litres. Installation services of tanks.	44611410-3	
	Pressure Vessels & Tanks	Receptacle designed to withstand a considerable amount of pressure. Installation services of tanks.	51810000-3	
	Tank Coating (Epoxy Lining)	Epoxy Sealant used to waterproof tanks. Installation services of tanks.	51810000-3	
	Tank Coating (Polyurethane)	Repair and refurbish all types of tanks and water retaining structures utilizing a solvent free polyurethane coating. Tanks, reservoirs, containers and pressure vessels.	44610000-9	
	Tank Contents Gauges, Dispensing Pumps & Meters)	Supply, installation and maintenance of tanking pumps, gauges and meters used in tanking. Installation services of tanks.	51810000-3	
	Tanking	Supply, installation, maintenance of water or petrochemical tanks etc. Installation services of tanks.	51810000-3	
Other Services - Building Services				
	Building Services Maintenance (M & E Term Contract)	General maintenance of mechanical and electrical installations, under a term contract. Notation in this category is based on total contract value per annum.	45300000-0	
	Building Services Maintenance (M & E)	General maintenance of mechanical and electrical installations.	45300000-0	
Other Services - Cleaning				
	Biochemical Drain Cleaning	Installing drain dosing system to inject biological culture in order to digest fats, grease and limescale	90910000-9	

	Cleaning (Blast & Pressure)	Cleaning using pressure water jetting and air blast systems. Blast-cleaning services for tubular structures.	90912000-3	
	Cleaning (Blinds)	Cleaning of office and industrial blinds. Office cleaning services.	90910000-9	
	Cleaning (Boiler & Flue)	Boiler and flue cleaning services. Miscellaneous cleaning services	90915000-4	
	Cleaning (Builders Cleans)	Cleaning and preparing premises for occupancy after completion of new build or refurbishment. Cleaning services.	90910000-9	
	Cleaning (Bus Shelters)	Cleaning of bus shelters, including poles and stances. Cleaning services.	90910000-9	
	Cleaning (Carpets & Upholstery)	Cleaning of carpets and upholstery. Office cleaning services.	90910000-9	
	Cleaning (Carpets)	Cleaning of carpets	90910000-9	
	Cleaning (Catering Equipment Deep Cleaning)	Deep cleaning of catering equipment supplied to canteens, restaurants and industrial kitchens. Industrial cleaning services.	90910000-9	
	Cleaning (Chemical)	Cleaning of plastic fittings, tiled and glazed surfaces, including toilets and bath using biological detergents and bio-cidal fogging Cleaning services	90910000-9	
	Cleaning (Cladding)	Cleaning, restoration and renovation of all types of cladding including aluminium, stainless steel and other metal surfaces, uPVC, glass, brick and stone. Cladding works	45262650-2	
	Cleaning (Communal Areas)	Cleaning of communal areas including entrances, hallways, corridors, staircases, lifts, driveways, paths etc. Cleaning Services.	90910000-9	
	Cleaning (Escalators and Lifts)	Cleaning of escalators, lifts and similar equipment. Cleaning services of transport equipment.	90917000-8
