

# SSIP and Constructionline

You've asked for it.

**?** My SSIP is already with another provider why would I want to join with you?

For Deemed to Satisfy customers who currently have a third-party SSIP, take out our full bundle which includes Acclaim Accreditation and pay nothing for your SSIP until the renewal of your Constructionline membership.

You can use your existing SSIP to satisfy the assessment if it is still valid.

**?** I'd like to use you but my SSIP doesn't renew until next year, I don't want to pay extra.

That's no problem, you won't need to pay anything until your renewal is due. We can apply a discount until then.

If you want you can also get your Acclaim SSIP assessment at any time during your current membership period and it will be valid for 12 months from the assessment date or the expiry of a third-party assessment, if you have one, providing uninterrupted cover.

**?** My SSIP isn't due to expire until after my Constructionline membership.

Complete your SSIP assessment any time in the next 12 months before the expiry of your existing Third-party accreditation and enjoy the peace of mind of continuous, uninterrupted accreditation.
