

NEW! OPPORTUNITIES BOARD

Publish and advertise work packages to our 30,000+ supplier network

What is the Opportunities Board?

Avoid gaps and get better pricing - even with tight deadlines

Easily expand your work packages coverage and pool of subcontractors for your Expressions of Interest (EOIs) and Invitations to Tender (ITTs) with the Opportunities Board, built to support your tender enquiries. Connect with qualified suppliers beyond your existing supply chain to ensure you get the best pricing for your projects.

Get better pricing for your tenders

How can the Opportunities Board help you?

- ✓ **Expand your existing supply chain** - publish to our network of **30,000+ pre-qualified suppliers!**
- ✓ **Ensure supply coverage when expanding** into new regions or sectors
- ✓ Consider **prices from suppliers you haven't used before**
- ✓ **Eliminate slow response times** from your existing supply chain
- ✓ Establish **firm deadlines** for supplier responses
- ✓ Maintain fresh supplier competition to **ensure competitive pricing**

How to get started

Existing member?
