Where does our data come from?

We aggregate leads from more different sources than anywhere else!

With input from 5 trusted sources, including our expert Market Intelligence team across the UK, we deliver public and private construction project leads in one place – helping you spend less time searching and more time winning.

Exclusive Sources

Market Intelligence (MI)

Our UK-based team source exclusive private sector opportunities – verified directly with main contractors, published as Market Intelligence Leads

Expressions of Interest (EOIs)

Opportunities from our network of verified construction buyers – directly on our platform

Invitations to Tender (ITTs)

Submit pricing directly to main contractors and buyers. Invitations to Tender (ITTs) are live opportunities published by contractors

Public Sources

90%+ of all public opportunities

Includes:

- GOV.UK
- Contracts Finder
- Find a Tender
- OJEU
- TED (Tender Electronic Daily)

Planning Applications

400+ UK planning authorities providing early-stage project intelligence

Don't forget to set up your profile!

A fully fledged profile helps you get matched and receive more tender invitations directly from main contractors who use your work categories and areas of operation.

Top 10 tips to showcase your membership to Main Contractors

What's included in Marketplace?

Stay on top of your organisation, get automated reminders, and keep to deadlines for EOIs. Get notified when buyers send new private or public sector tender opportunities directly to you and manage responses in one place.

Opportunities Board

Track – and Tender Management

Market Intelligence

Marketplace Live Events

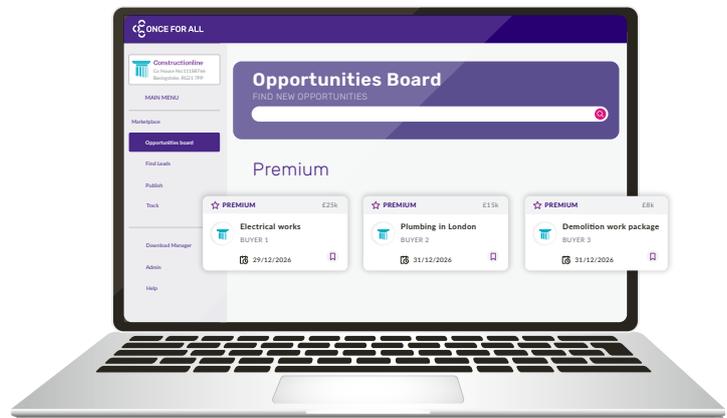

Access the hottest leads via our Opportunities Board

Find leads fast, from bid to build.

A new way to search on Marketplace. Filter through thousands of construction tenders and building contracts from across the UK that are updated daily. Save relevant opportunities and set up automated alerts so you never miss a deadline.

Find more work with the Opportunities Board

- Included with Marketplace
- 500,000+ leads available on the platform
- Apply to opportunities that main contractors are actively pricing for
- Search by work category, trade and location
- Choose from thousands of opportunities across Premium Leads, Public Tenders and Planning Applications
- Save searches
- Set up alerts so you never miss a deadline

If it's your first time using the Opportunities Board, you will be prompted to complete a short setup process to tailor the opportunities to your business.

How to get started on the Opportunities Board

Watch Walkthrough

Track your progress

Stay on top of your organisation, get automated reminders, and keep to deadlines for EOIs. Get notified when buyers send new private or public sector tender opportunities directly to you and manage responses in one place.

- ✓ Set up your profile and work categories (trades) to get matched to relevant opportunities from some of the UK's leading main contractors
- ✓ Receive expressions of interest (EOIs) direct into your inbox, helping you to track, manage and respond to enquiries with pricing.
- ✓ Keep track of your tender applications and statuses, all from your profile
